

All the wonder and beauty of the great outdoors is available at Camp Simpson. Camp Simpson provides troops with 13 campsites for summer camp as well as spacious room for year round adventures. Sitting in the heart of the oldest mountain range in the United States (the Arbuckles), Camp Simpson offers 2,200 acres of woodlands, natural granite cliffs, the 100 acre Lake Sam Noble, winding creeks, and rugged hillsides. The natural surroundings make Camp Simpson an ideal location to have scouting experiences that may never be repeated in a scout's lifetime

Where is Camp Simpson?

Located near Bromide, OK:

- 2,200 acres in an outcropping of the Arbuckle Mountains on beautiful Lake Sam Noble.
