**National
Youth
Leadership
Training
2025**

July 27th - August 1st

Ready to take your leader skills to the next level?

National Youth Leadership Training (NYLT) is the premiere leadership training program for Scouts and Venturers. It is a week long course that uses a combination of presentations, challenges, and FUN to teach Scouts and Venturers how to effectively manage their Troops and Crews. Scouts and Venturers will learn about effective communication, problem solving, public speaking & presentations, team development, ethical decision making, conflict management, working with adults, and more. It's all about what a leader must **BE, KNOW, and DO!**

The leadership skills learned will prepare these young men and women to become superior leaders in their Troops and Crews. Further, these skills will also help them to be more successful in their academic, social, and future professional lives.

Any Scout or Venturer who wants to expand their leadership capabilities should attend this course!

***If you can SEE it...
You can BE it***

Participant Requirements for Scouts

- Minimum Age 13
- Minimum First Class Rank
- Completed Troop Leadership Training
- Hold a unit leadership position
- Scoutmaster approval
- Parent permission

Participant Requirements for Venturers

- Minimum Age 13
- Completed 8th grade
- Basic camping experience
