For most of the day, it is preferred that all Scouts wear a Scouting related or blank shirt. Any clothing that advertises or implies obscenities, alcohol, or tobacco is not appropriate in camp. All clothing and accessories must reflect the values of Scouting. At the waterfront, we ask females to wear one-piece swimwear and males to refrain from "speedo" type trunks. The Program Director, Reservation Director, or Chaplain will provide rulings upon clothing items of a questionable nature. BSA policy requires that shoes are to be worn at all times except when swimming, showering or in a tent. Sandals and flip-flops are NOT considered shoes.
