The definition of a Prayer Advocate is someone who actively promotes, facilitates, and leads efforts in prayer within a group, organization, church, or community. This person serves as a spiritual catalyst, encouraging others to deepen their relationship with God through prayer and intercession.

We currently are needing men throughout the conference who are connected into a team of prayer warriors for Christ and the church. They should be able to pray for good things as well as pray against evil things. These prayers should be not as individual but as a group. The National Prayer Advocate Bryan Gould and Northeast Jurisdiction Prayer Advocate Jerry Meadows will be holding instructions on how to do this.

If you can't make the whole weekend, please come on Saturday, September 6, 2025, from 9:00 a.m. until 7:00 p.m. This will include lunch and dinner for \$ 75.00.

On Saturday we would like to hold a class meeting training to bring people back to the roots of the church. If it seems like what you are be called to do, please let us know.
