Polar Bear Winter Folklore Contest

Winter folklore comes to life on February 1st at the Stamford Museum and Nature Center! Our Polar Bear event features four interactive stations, each celebrating winter legends through engaging, hands-on activities.

We're inviting Scouts to channel their creativity by writing or drawing their very own winter-themed legend or folklore story. Imagine magical snow giants, enchanting ice fairies, or wise, talking polar bears brought to life through words or art!

Contest Highlights:

Showcase Your Creativity: All entries will be proudly displayed during the event.

- **Awards for Every Session:**
 - **1st, 2nd, and 3rd Place:** Receive an exclusive Polar Bear Figurine and a certificate.
 - **Honorable Mentions:** Miniature figurines and certificates for all other participants.

How to Participate:

1. Use the provided **entry form** to label your work with the Scout's name, pack number, and town.
2. Computer word-processed entries will be accepted for those submitting an essay, provided the Scout completes the writing independently.
3. Submit your 8 ½ x 11 paper entry at check-in.

Cub Leaders: To ensure we have enough prizes and certificates, please provide the total number of participating Scouts by **Monday, January 27**.
