What is Fundamentals Part 2: Craft of Training?

The Fundamentals Part 2: Craft of Training session is designed to provide and help platform skills of the trainer with the focus in raising the level of the trainer's skill. In this session you will have the opportunity to apply strategies for managing learner behaviors, giving and receiving feedback, and practice training methodologies.

At the conclusion of the training, you will be able to understand the principles of how people learn and equip yourself with a broad range of ideas, techniques, and materials, which will enable you to select approaches to communicate your messages most successfully, and with PIZZAZZ!

The Fundamentals Part 2: Craft of Training emphasizes the importance of “experiential learning,” or learning by doing, as well as numerous other contemporary training strategies. These strategies can then be applied to a wide range of training programs.

This course is offered only ONCE A YEAR, so don't miss this opportunity.
