

The 2026 Cub-O-Ree will be at Old Mine Park in Trumbull, CT on Sunday, October 18th. There will be 2 sessions to choose from this year: morning and afternoon. Scouts may only attend one session. Attendance is limited to 60 scouts per session, and this event sells out every year, so register early to secure your slot. We are also limiting admission this year to scouts Tigers – Arrow of Light to allow more space for veteran scouts as well to alleviate separate programs for Lions who cannot do BB Guns.

The first session will run from 9:00 AM – 12:45 PM and the second session run from 1:15 PM – 5:00 PM.

We have included all the Cub Scout shooting sport events to maximize the fun. Sessions at the event include:

- BB Guns
- Archery
- Slingshots

Participants will be split into dens and rotate to the different stations together throughout the day. Scouts from the same pack will be grouped together but may be grouped with other units as well. Only part of a den will be allowed on the shooting ranges at a time, but there will be fun activities for scouts while not on the range. The schedule of events for the day can be seen below.
