

TAX EXEMPTION REQUEST
Dan Beard Council

The Kentucky Department of Revenue has alerted us that starting Jan. 1, 2023, many service-based industries will be required to impose a 6% sales tax and a 1% transient room tax. This applies to youth sports, camps, rentals, and instructional training. As a result, beginning January 2025 a 7% sales tax will be applied on all events, programs, rentals, and camps that meet that criterion under the Dan Beard Council, Scouting America. Please see below for specific details:

2022 Kentucky legislation in House Bil/8 substantially changes how various services are taxed within the state. In the sales and use tax area, 34 additional service categories become subject to tax. Businesses that provide the new services are required to collect a 6% sales tax and a 1% transient room tax from their customers for providing these services. The bill also creates and amends several sales and use tax exemptions.

Payments made to the Dan Beard Council, Scouting America may be tax-exempt if the following conditions are met:
