

Aviation Merit Badge

Date: May 3, 2025

Location: Cincinnati Airport

Meeting Place: CVG Centre—77 Comair Blvd, Ky 41018

Time: 9:00 AM-2:30 PM

Agenda: A tour will be conducted by the airport authority to gain an exposure to day-to-day and behind-the-scenes activities at the airport. Following the tour, scouts will complete the requirements for Aviation Merit badge.

Tour Itinerary: The tour includes a driving exploration of CVG's campus, featuring sights like the Airport Rescue and Fire Fighting, EPIC Flight Academy Aviation Maintenance School, and more. Tour stops will be customized based on the group's interests.

Photography: Feel free to take photos and videos during the tour to capture your experience. Our tour guide will provide guidance if there are any photography restrictions in certain areas.

Lunch Arrangements: Lunch, water, and snacks will be provided. All participants will be provided with a cheese and pepperoni pizza lunch. Those with specific dietary requirements or preferences are welcome to bring their own snacks or meals.

Pework: **#5** Find out about three career opportunities in aviation. Pick one and find out the education, training, and experience required for this profession. If they do this then the portion of #5 that is "Discuss this with your counselor and explain why this profession might interest you" will go faster.

Cost: \$10
