Tamegonit Lodge Fall Fellowship

September 20-22, 2024

On behalf of Tamegonit Lodge:

Dear Arrowman,

Thank you for attending Fall Fellowship! This event is planned around the entertainment of campers, which means you will not be bored at camp. We have planned an abundance of fun activities, which are sure to be a blast! This year, our theme for Fall Fellowship is a Camp Naish lū'au! In this document, you will find everything you need to know about Fall Fellowship 2024.

Yours in Brotherhood,

Ben D and Simon S, 2024 Fall Fellowship Chairmen
Lilly H, 2024 Vice Chief of Program

Policies and Procedures:

If the weather at camp becomes a danger or heavy inconvenience to the activities or campers on reservation, the shelters around Naish will be put into use. Remember to pack appropriate clothing for Midwest weather, such as rain gear and jackets.

Driving on reservation **MUST** be kept to a minimum. When driving, please follow all speed limits. One Scout's life is worth all your time.

Health forms will be collected at check-in.

Carpooling is recommended for these large events, as it speeds up the time it takes to check everyone in, and takes up less space in the parking lot.

Once again, thank you for staying active in the lodge, and participating in Fall Fellowship. Please do not hesitate to reach out for any questions or concerns.

WWW,

Ben D and Simon S, Fall Fellowship Chairmen
