

PATROL LEADERSHIP SKILLS CELL PHONE POLICY

Cell phones are a part of our everyday life, and many parents equip their children with them for what they feel are safety and/or convenience reasons. However, while the participants of this course are present, the course is responsible for the safety of the youth under their charge. The adult leaders must maintain their authority and know to whom the youth (and other youth who may use it) are in contact.

For this reason, cell phones are NOT permitted on this course. If a participant's cell phone is found, it will be confiscated by the course staff and held by the Course Director and returned at the conclusion of the course. Unauthorized use of a cell phone by a participant is grounds for dismissal from the course at the discretion of the Course Director.

If a parent has serious concerns about his/her child having a cell phone and access to it, then the parent should contact the Course Director to discuss any concerns. If the child has special needs, then special arrangements may be made to accommodate those needs.

The Course Director is available via cell phone throughout the weekend.
