Adults:

You can take Safe Swim Defense and Safety Afloat while you are there or you may participate in the Aquatics Supervisor Courses. A certified BSA Aquatics Instructor will be on hand to administer Swim Tests, which are good for the whole year (Including summer camp!). We'll even show you how to plan and prepare fun, safe, year-round, aquatics programs for your scouts. Our highly trained staff is made up of Northeast Georgia Council's best-trained BSA Lifeguards from the Camp Rainey Mountain summer camp staff. And since food is provided, you and your scouts have more time to spend on the water.

Scouts: Are you interested in learning maritime tradition? Become an expert at seamanship, knots and ropes, parts of the boat and boat maintenance. Learn about the time-honored traditions of Sea Scouting in our very own special flag ceremonies and changing of the watch. Ring the ship's bell as you lead the camp in a special recognition of your efforts. See you out there on the water this summer!
