Vestry Highlights

Below are highlights from the February 19 vestry meeting:

COOS Cemetery Jon Leachtenauer, Cemetery Chair, sought approval for legally re-claiming sites with agreements older than 50 years. This involves 71 sites sold to 20 owners prior to 1968, and would require sending certified letters and posting newspaper notifications as required by Virginia Code (pointed out to us by Dennis Rooker). The Vestry approved, Jon will follow through.

Finances Treasurer Steve Weinhardt gave the church financial report as of 3/31/19, which shows that income/expenses are mostly on target, with income slightly exceeding expenses. There is a remaining $48K left in capital campaign pledges to be re-paid to the General Fund for the loan. Outreach gifts to other organizations went out in February.

Vestry Retreat Follow-Up Fr. David continued the conversation from the January vestry retreat, focusing on the potential of adopting a local school and what that would look like: possible volunteering with students and helping teachers. Consensus was that Agnor Hurt Elementary would be a good choice because we already have a relationship with them through the Grab A Bag program. Steve Allen will touch base with the principal to see what is needed there and this will be discussed further.

Deacon’s Report Deacon Lawrence shared that he will only be at the Sunday 11:15am service, and that he has been asked to sit on the Schoolhouse Thrift Shop Board.

Junior Warden’s Report Junior Warden Alan Lane reported that he has been doing various repairs around the campus, including securing beams on the walkway to the Mission. He shared that there was a meeting with lighting consultant Mark Schuyler to determine more appropriate lighting for the chapel interior (see “Wreaths for Light” p. 6). He is also looking at the back gravel lot to see how parking spaces could be lined up for better and safer parking.

Rector’s Report Fr. David announced that our new administrative assistant, Scot Jonte, is now training with Diane in the church office. There are two major ministry positions that need to be filled and he is asking individuals to step into these roles. He mentioned that he will be having throat surgery within the next few weeks to address damaged vocal chords.

Children, Youth & Family Minister Report Emily Rutledge shared that there are 25 missioners for this summer’s Christian Appalachian Project. Summer Celebration VBS coordinator, Catherine Cashwell, is gearing up with build days planned; there will be drumming! Volunteers are needed for tear down. The following week, Emily Rutledge will be going for her postulancy interview on 3/22 in Richmond.

Senior Warden’s Report Senior Warden Darrell Marshall reported that he and Mary Morris have identified an online pay-from-pew option, which Mary outlined, and plans will go forth to put this into place. He prepared two follow-up stewardship articles – see pp. 6-7. Darryl arranged for two attorneys to come talk about wills & estate planning at an adult forum on May 19.

The next vestry meeting will be held on April 30 at 6:00pm in Trinity Hall. Full meeting minutes are available in the office during the work week.

Please join us as we celebrate Easter together! We’ll have orange juice & hot drinks...you bring table-ready finger food to share. To keep it balanced, if your last name begins A-L, bring something savory; if your last name begin with M-Z, bring something sweet. Please bring your dish to the Mission kitchen by 9:00am that day. Thank you!

Flower Dedications at Easter
If you would like to dedicate Easter altar flowers and lilies to honor or remember a loved one, please see the flower chart in the gathering area for a pink envelope. Take an envelope, fill it out completely, enclose payment ($40 minimum), and give it to someone in the church office or an usher. When we receive your request, your name will be added to the list. Questions? Call Scot in the church office.

Wanted: A Dozen Deviled Egg Divas
The Easter Brunch is a spring highlight at COOS. Deviled eggs are probably the most popular item on the menu and always run out well before the end of the event. This year, the Hospitality Ministry is seeking 12 people to volunteer to bring a plate of deviled eggs to the brunch. If you don't have a deviled egg plate, don't worry – there are nine plastic ones in the cabinet in the Mission kitchen. Thanks so much!

Children’s Good Friday Program

Join us at 5:30pm in Trinity Hall on Good Friday as we use all our senses to experience the mystery and importance of Good Friday. This program is for all ages but specifically designed to be appropriate for children.

DONATIONS NEEDED!

Starting April 1st we will be collecting individually wrapped candy for our Easter goodie bags! Donations can be dropped off in the large white basket in the gathering area. Nut-free candy is preferred.

Thank you!

Ushers Needed at the 11:15am Service

Ushers are an important part of our services – beyond meeting, greeting, and handing out bulletins, they help make the service flow smoothly. Please consider if you might be able to join one of our usher teams. Each team takes turns serving a month of Sundays a few times a year, and there are multiple members on each team so if you have to miss a Sunday, there would be someone to cover. If you are interested, please see Matt Savinsky or email Carolyn in the church office at carolyn@cooscville.org.

Pastoral Notes

We extend our sympathy to two of our parish families,

Norma Adams and family for the death of her husband, Stuart on March 15, 2019.
Mary Anne Grant for the death of her mother Mary E Grant on March 20, 2019.
**Racial Reconciliation Group Update**

The Racial Reconciliation group met throughout the winter and discussed *Living into God’s Dream – Dismantling Racism in America* as well as current events. At the Adult Forums on March 17 and 24, Charlene Green of Charlottesville’s Office of Human Rights presented interesting information about the racial and ethnic history of Charlottesville. We discussed her presentations at our group meetings following those Forums.

This spring, we will meet on Mondays, noon – 1:00pm, and Wednesdays, 7:00 – 8:00pm, in the Parish Hall during the weeks of April 8, 22, and 29. (We will not meet during the weeks of April 1 and April 15.) We will be discussing current events as they relate to racism and social justice. Everyone is invited to join us at any of our meetings.

If you would like to be included on our email list for recommendations for books, movies, articles, and community events regarding racial issues, please email Tara Mincer or Ann Rooker.

**Outreach Outlook April 2019**

**Easter Family Food Sign Ups**

Easter is coming soon. Parishioners will have an opportunity to give food items to the families that we support at the holidays. A sign-up sheet will be in the entry area from March 24 to April 7 where you can sign up to donate one or more Easter items such as hams, sweet potatoes, rolls or Easter candy. Please bring non-perishables to the church any time and place them in the box labeled “Easter Family Food” in the gathering area. Please bring perishables to the church on Sunday, April 14. Families might consider involving their children in shopping for this food for others and have the children help in bringing it to the church to be donated.

**Children’s Book Basket Thanks**

Thanks to all who have donated so many wonderful children’s books to the COOS Book Basket! We even extended the deadline since books were coming in at such a nice pace. This is the ninth year we have collected for the Book Basket, and it was one of our best! Many, many thanks. As a nice side benefit, those who donated now have room for … more books!

**COOS Supports The Haven**

Each year the Outreach Ministry supports selected groups both local (mostly) and international. One of the groups we support is The Haven. The Haven is a safe, warm and welcoming place devoted to helping the homeless in our community. It provides showers, breakfast, and laundry services each day from 7:00am until 12:00 pm, as well as help in obtaining access to resources available and securing permanent housing. Our funding helps to maintain these important services. Much help is needed in carrying out these wonderful services seven days a week. Consider volunteering! Volunteers are needed for duties such as the welcome desk, breakfast, and food prep, to name a few. A training session (required) is scheduled for April 15 from 5:00-6:30pm. For more information about The Haven visit their web site at [www.thehaven.org](http://www.thehaven.org)

**Help The Haven with Coffee and Sugar.** COOS is now collecting ground coffee and sugar to help with the cost of breakfast each day at The Haven. Your help is appreciated. Donations can be placed in the Haven box in the church entry area for the next several weeks. The Haven relies on the goodwill, expertise, and time of community members to keep their doors open everyday. Many thanks for your contributions.

Thank you for your continuing generosity!  
Diane and Bruce Dotson, Outreach Co-Chairs
The Vestry is continuing to look at some issues we raised at the retreat in January. We decided to focus on three: Social Justice, Adopt a School, and Field Trips. An early effort is going into defining what we mean by those things. You will hear more about them when we know more about them. Meanwhile, I can report that there was a lot of energy around these subjects, and still is. As we flesh out the programs and decide how to proceed, we will tell you.

Under the heading of Stewardship Ministry in the graph on the following page, I have provided the first in a series of graphical representations of our sources of income. Most of it comes to us in the form of pledges, and we could not exist without your pledge support. Please have a look at it.

On a related subject, we intend to develop a “Planned Giving” program. Based on information received from the Episcopal Church Foundation, this can be an intense effort. We will start with a light program, which we may refer to as “Will Power.” A seminar on Death and Dying will be scheduled in the fall. The focus of that seminar is preparation of the documents that reflect how you want your decisions to be made if you become unable to make them yourself, including funeral arrangements. We will have an Adult Forum on May 19 presented by two lawyer specialists in wills and estate planning. This is for anyone who has, or needs, a will. This may be especially important to those younger families with children who may not want the State of Virginia to decide what happens to those children if they die. Following all this will be information on how to include Church of Our Saviour in your will, in case you ever die and wish to contribute some of your estate to the Church. Remember that in addition to talking about COOS and inviting your friends and neighbors to join us, we need to continue efforts at name recognition in the community. Please pick up a pen from the basket near the entry and take a bumper sticker. The bumper stickers can go in your bumper, or on the back of your iPad, cover to your computer, a window next to your front door, or wherever. Thank you!

Wreaths for Light

Starting after Easter, there will be a display of handmade origami-braided wreaths in the Parish Hall, made by members of the Morning Prayer Group – so called because there are five of us who regularly attend MP every day in the Chapel at 8:00am. We have made these wreaths as our part to contribute to the fundraising effort for new interior lighting for our Rock Chapel.

Adequate lighting has always been an issue in this beautiful – but dark – space that is our original church. Stone walls and dark wooden beams are the beautiful culprits that don’t reflect light well. The current lighting has been in place for years and inappropriately comprises outdoor floodlights high up on the beams, causing glare and shadow on prayer books below. There are now ways to measure the effectiveness of lighting fixtures that are in character for our stone chapel and there is a dedicated group of parishioners and professionals making that happen. A committee of Sunday 8:00am attendees initiated this project last year, and we now have the expertise to do this right. A group consisting of lighting consultant. Mark Schuyler (offering services pro bono in memory of Arch & Marion Harrison), our church electrician, and Alan Lane, Junior Warden, have already put together a 2-phase plan that will magnificently display the glory that is our Chapel. If there was a “This Old Church” show, I’d be calling them!

But back to the wreaths…. There are many different colors & styles of these wreaths, intentionally and prayerfully handcrafted, that will be available for $35 each. Take a look at the one on my office door the next time you are in church. And that purple wreath we gave Bishop Susan? That’s one we made! The spring/summer themed wreaths will be out for a month this spring and fall/holiday themed wreaths will be on display in the fall! Look for them in the corner of the Parish Hall, along with information on purchasing them on the table nearby.

Stewardship Ministry Report - Why does your pledge matter?

Finances in general can be confusing, and church finances are no exception. This is the first in a series where we will try to demystify the sources of funds and their uses.

**Pledges**

Pledges make up the vast majority of the income (82% in 2018) for Church of Our Saviour. Let’s spend some time breaking down how pledges come in. We had a total of 198 pledging units for 2019. Those units break down into the following annual total giving categories.

<table>

The total amount pledged for 2019 was $770,864. This is an average (mean) of $3893 per pledge.

Below we see the total dollar amount pledged by each category.

Holy Week Services

The services of special devotion during Holy Week provide a liturgical experience of the last days of Jesus' earthly life. The Book of Common Prayer provides special liturgies for each of these days. Below are the descriptions of the Holy Week and Easter services that are offered at Church of Our Saviour.

**Palm Sunday (April 14)**

8:00am, Rock Chapel  9:00am, Main Church  11:15am, Main Church

Also known as the Sunday of the Passion, Palm Sunday is the first day of Holy Week. At the 9:00 and 11:15am services (main church), palms are distributed outside and there is a procession into the church, a re-enactment of those who greeted Jesus' arrival by waving palm branches. The service recalls Jesus' triumphal entry into Jerusalem and his Passion on the cross.

**The Triduum**

*The three holy days, or Triduum, of Maundy Thursday, Good Friday, and Holy Saturday are at the heart of the Holy Week observance.*

**Maundy Thursday (April 18)**

Maundy Thursday Dinner and Service, 6:00pm, Trinity Hall

“Maundy” means “command”, referring to the command Jesus gave his disciples after washing their feet. He said: “A new commandment I give you: love one another as I have loved you.” (John 13:34) The evening begins with a time of dinner and fellowship, along with intentional time of reflection on events that led to Jesus’ crucifixion. Following foot washing, all will process to the church for the service, which includes the stripping of the altar. All leave this service in silence.

**Gethsemane Watch (April 18-19)**

Thursday, 9:00pm until Friday, 8:00am

An all-night Gethsemane Watch begins at the conclusion of the Maundy Thursday liturgy. People come to pray throughout the night in one-hour shifts (there is a sign-up poster in the gathering area of the main church). The prayer vigil ends with Holy Communion on Friday morning at 8:00am. Security is provided throughout the night.

**Good Friday (April 19)**

Holy Communion, 8:00am, Main Church  *  Way of the Cross, 12:00pm, Main Church

Children’s Program, 5:30pm, Main Church  *  Good Friday Liturgy, 7:00pm, Main Church

This is the day recalling Christ’s death on the cross. It is called “Good” Friday because we remember the salvation that God brought for the whole world through His death. On Good Friday the church commemorates the crucifixion of Jesus with a variety of quiet, solemn services. The Eucharist is not celebrated in the Episcopal Church on Good Friday.

**Great Vigil of Easter (Saturday, April 20)**

One of the oldest and greatest liturgies in the Church is the Great Vigil of Easter. It is a magnificent service that vividly recalls the great events of salvation history and dramatically celebrates the resurrection of Jesus from the dead. The liturgy begins outside, with the lighting of the New Fire and the dedication of the Paschal Candle, which is then processed into a darkened church lit only by candles. After hearing readings from Scripture and responding to them with music, renew our Baptismal Covenant, at which point the lights go on and we move with joy into the Holy Eucharist, which marks the end of Lent and the first celebration of Christ’s resurrection.

If you have never experienced the Great Vigil, we encourage you to join us on April 20 at 8:00pm, beginning outside the main church. For those who would rather not come both Saturday night and Sunday morning, please know that the Great Vigil is an Easter service (the first and greatest service). If you come and sleep in on Sunday morning, you haven’t missed Easter worship!
**Shrine Mont Volunteer Work Weekend – April 5-7, 2019**

Spend a FREE weekend (home cooked meals and lodging provided) to help prepare Shrine Mont to open for the 2019 season. All skills needed…raking, mulching, painting to carpentry projects. **Celtic Eucharist ~ Sunday, April 28**

_For your Spirit woven into the fabric of creation
for the eternal overlapping with time
for the life of the earth interlaced with heaven’s vitality
we give you thanks, O God.
from “Celtic Benediction”_

Come celebrate and give thanks for the beauty of God’s creation with a Celtic Eucharist. We will gather in the Rock Chapel at 5:00pm, and our worship time will have space for quiet meditation. The Rev. Grace Cangialosi will be our celebrant, and we will also be blessed by the presence of Eve Watters and her harp. Please join us!

Help Us Help You!

Due to the HIPAA Privacy Rule, hospital staff is not allowed to contact clergy for those admitted to the hospital. Please call the church if you are going in for surgery or a procedure so clergy can visit and pray with you for healing. Call and ask to be put on the prayer list, too – the more people praying for you, the better! If you do not want to be on the Sunday written prayer list, we can put your name on the chapel list where you will be prayed for during the week at Morning Prayer.

If you find yourself in an emergency hospital admittance, you or a family member can always call David Stoddart or Kathleen Sturges.

Thank you...  

Your prayers, cards, and positive thoughts have been an important part of my recovery after knee replacement surgery and I am so grateful to you. Growing up, I always wanted a big family, and you are that family... thank you!
