

# Entering Your GCI Goal in Moxi Works™/Moxi Engage™

Setting a goal drives your performance just as much as the right tools! Enter your Gross Commission Income into Moxi Engage, and let the system help you take the daily steps needed to making your goal a reality!

To enter your GCI goal, follow the below steps:

1. When signing into Moxi Engage for the first time you will be prompted to enter your GCI Goal (see below, circled in red).

The screenshot shows a web form titled "Enter Your Annual GCI Goal". Below the title, it asks "Tell us how much you would like to make in 2014:". There is a text input field with "Example: \$175,000" inside. A red circle highlights the input field. Below the input field is a blue button labeled "Start using Moxi Works!". A red arrow points to this button. At the bottom of the form, there are three small circles, with the rightmost one being filled, indicating the current step in a sequence.

2. After entering your GCI goal, click on Start Using Moxi Works! (see above, indicated by the red arrow).

You have now set your GCI Goal.

It is possible that you may have already completed this step and need to edit your GCI Goal, please review the Help Doc/Video "Editing Your GCI Goal".
