

YOUR PHYSICIAN CONTRACTING SOLUTION

ONLINE PLATFORM

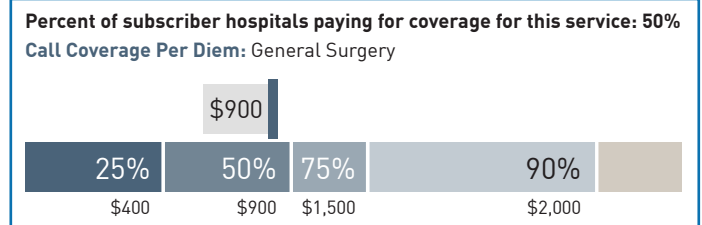

Use MD Ranger to effortlessly access physician contract benchmarks. Through automated contract reports, MD Ranger makes documentation of market rates easier than ever. Compliance documentation has never been faster. Support decision-making with real-time analytics and reports.

WHAT SETS MD RANGER APART

- Physician compensation benchmarks for 300+ contracted services including call coverage, hospital-based, medical direction, medical staff and leadership, and clinical hourly rates.
- Commercial reasonableness metrics that capture the percent of hospitals paying for a service.
- Instant documentation of market rates for FMV compliance, saving money on unnecessary valuations.

Simplify your physician contract compliance process with a comprehensive online tool that provides compensation benchmarks for more than 300 services. MD Ranger provides a consistent source for contract documentation, monitoring, and analysis of internal contracts and external market rates.

DOCUMENT CONTRACT RATES

Document FMV with automated contract reports.

COMPARE & AUDIT PHYSICIAN CONTRACTS

Service	Counterparty	Per Diem Pay Rate	Benchmark Range ▲
Anesthesia—General	Pearson	\$950	██████████
