

Pain Assessment

The diagram features a vertical scale on the left side, ranging from 0 at the bottom to 10 at the top. The top of the scale is labeled "Extreme pain" and the bottom is labeled "No pain". To the right of the scale are two human figures. The figure on the left is a silhouette of a person's back, labeled "Back" below it. The figure on the right is a silhouette of a person's front, labeled "Front" below it. The entire diagram is enclosed in a decorative border of small asterisks.

Type of work _____
