

THANK YOU FOR BEING A PART OF POINTS NORTH COMMUNITY ACUPUNCTURE!

The community acupuncture movement is more than health care. It is a philosophy. It is a grassroots effort of people helping each other achieve wellness. Affordable acupuncture treatments are possible because of YOU! And the person relaxing next to you! A sustainable community acupuncture clinic requires a high volume of patients. If you are happy with the care you experience at PNCA, please help us spread the word!

- ★ Take some cards and hand them to anyone who needs help. Let your other health care providers know how acupuncture here has helped you and offer them a card or two.
- ★ Take a flyer (or more) and put it up at work, at your coffee shop, at your community center, in the lobby of your apartment building, etc.
- ★ Complete a testimonial for the PNCA website (we will not use your full name).
- ★ Show your support for PNCA and the community acupuncture movement on social media. We are on Facebook and Twitter #PNCA.
- ★ Offer your comments/suggestions! They are always welcome.
