

Hi!

As of July 20, 2021, COVID cases are on the rise in Tarrant County. My intention is to continue to work while providing the safest, most comfortable treatment space for you. In order to accomplish this, I have made the following adjustments:

Masks: Must be worn during the intake. You will not be required to wear a mask during the treatment, but I will continue to wear one throughout your visit.

Hand sanitizing and Air Purifying: There will be several hand sanitizers around the space for your use. There is a bathroom on the first floor for washing your hands. I have a HEPA air sanitizer/ purifier for the treatment room that will be running.

Cancellations: I am waiving all late cancellation fees related to illness at this time. I want you to feel free to reschedule/cancel should any of the following arise before your scheduled appointment:

- Fever
- Shortness of breath
- Cough
- Chills
- Headache
- Loss of smell or taste
- Sore throat
- Known exposure to Covid 19

Prescreening: I ask that prior to every treatment, you let me know if you have experienced any of the above listed symptoms/ situations in the prior 14 days. If you have, you will be asked to cancel your appointment and reschedule. Cooperation with this is imperative to keeping everyone safe while you are in my clinic.

Fees: Cash, check, Venmo or PayPal are preferred at this time.

\$125 for new patients.

\$90 for returning patients.

\$325 package of 4 treatments (returning patients only).

I am, however, prepared to take HSA/FSA cards and credit cards. I am still a provider for BCBSTX and United HealthCare, but not all plans cover acupuncture.

I am hopeful that the adjustments I have made to reduce the risk of exposure to the virus in my clinic brings you assurance and confidence that it is safe to receive acupuncture here. If you have any questions or concerns, please reach out!

Cameron
