## 2025 Conference

Dear 2025 NYLT Participant:

Congratulations on completing the initial registration for NYLT (signing up on <https://mycouncil.samoset.org/Event/194>)! We hope you are looking forward to a mountain top experience at the National Youth Leadership Training Conference at Hanna Venture Base near Rhineland, June 8 - 14, 2025.

At NYLT 2025, you will have a chance to learn and try out many skills that can be used in your daily life, your unit, and your school. You and approximately 30+ other Scouts from throughout the state will be living, camping, and working together as members of a patrol of 5 - 8 Scouts. You will be evaluated throughout the week on your Scout skills, leadership ability and overall performance improvement. We expect that you will grow as a Scout and demonstrate the fine qualities that your unit leaders saw in you when they recommended you for this course. As such, we expect you will be a SCOUT and take an active, productive part in learning.

We're excited to have you as a participant and look forward to working with you this summer. Now, please take the next steps to complete your registration and preparation for an awesome experience.

### Due NOW:

1. Download and return the fillable PDF file "**Personal Resource Questionnaire Rev 2025.pdf**". It will work best to SAVE this form on your computer (please be aware of where you saved it). **This form is needed as soon as possible – your registration is not complete until this form is completed and sent to the Course Director. Your registration will be 'wait listed' until this information is received.**
2. Download, print and read the "**NYLT Course Information & Guidelines 2025.docx**" - 15 pages. Parents and youth should both read this. Please bring this Booklet along to the MANDATORY Parent - Scout meeting (see page 4) that you must attend before the conference.
3. Download and read the "**Fire starters 2025**" – 1 pager. Please read this now so you have time to make your fire starters. You will need to bring 4 home-made fire starters to course.
4. If necessary, download and print the **Map to Hanna Venture Base** (*we are 20 minutes from Culver's and 15 minutes from McDonalds*)
