COST: \$15

Looking to be Certified as Range Master for Cub Scout Shooting Sports?

Join us for this training which includes Archery, BB-Gun and Sling Shots. Shooting Sports are a major highlight in a Cub Scout's life and helping them learn a new skill is very gratifying.

To be a Rangemaster you must be at least 18-years-old. This training is required for all District and Council Shooting Sports events. (Shooting sports are not allowed on the Unit level). This training is a 5-hour course that covers setting up a range, safety, handling equipment, maintaining and storing equipment, and instructing Cub Scouts.

The Cub Scout Shooting Certification is valid for two years, and participants will be asked to sign a commitment form to assist with two District or Council events during the time the certification is valid.

The first half of the course will be hands-on training with scouts followed by classroom instruction.

Wear your uniform, bring a pen and paper, and prepare for a knowledge filled day!
