

## ***Join us on the Essex-class aircraft Carrier Intrepid and earn the Robotics Merit Badge!***

- Learn the story of Intrepid and how this feat of engineering helped us win World War II
- Step inside Growler, the only existing Grayback-class submarine, and discover the science, history, and technology of the only American guided missile submarine open to the public
- Your ticket purchase also includes the Space Shuttle Pavilion which showcases the space shuttle Enterprise, the prototype NASA orbiter that paved the way for the space shuttle program. Seventeen dynamic exhibit zones feature original artifacts, photographs, audio, and films that immerse visitors in the science and history of Enterprise and the space shuttle era
- And so much more!!!

### **Merit Badge Day Itinerary**

10:00am

- Meet your Council Representative at the front entrance. They will collect your pre-requisites (separate these from the rest of the workbook) and Scoutmaster-signed Blue cards.
- Requirements #1, #2 and #3 must be done prior to arrival, please, in order to receive a "complete".

*Partials will be given to those without the requirements done ahead of time; contact the Council Office once done.*

10:15am

- Instruction starts for Merit Badge participants. Families may enjoy time to tour during this time.
- Plan for at least 2 hours of instruction to complete the other requirements

12:00pm

- Your Council Representative will sign Blue cards and return them to the Scouts. They may then join their family and friends and enjoy the museum until the 5pm closing time.

**Registration is open until class is full or until approximately 2 weeks prior to event day**
