**WOMEN'SPOST**

In this issue:

A remarkable year in real estate | What to expect in 2016

In November 2015, Toronto's remarkable real estate market set an all-time record for sales in one calendar year, and there was still more than five weeks left in the year. Average sale prices also hit an all-time high. Will we see another record-breaking year in 2016 or has the market run out of steam? [More...](#)

Toronto crime rate drops | Breaking and entering cases down

You might not believe it if you watch the TV news every night, but Toronto's crime rate is dropping. Of particular interest to homeowners is the fact that Toronto has one of the lowest break-and-enter rates in all of Canada. Statistics Canada reports that since peaking in the early 1990s, the rate of police-reported breaking and entering has declined steadily across the country. [More...](#)

RRSP, TFSA or mortgage? | Where to put your cash

Mortgage interest rates are continuing at historic lows, so it's not surprising that a survey found that 72 per cent of respondents are concentrating on paying down their debts rather than saving for retirement. If you have a high-interest debt, such as a credit card balance, it's a no-brainer; pay that debt off as fast as you can. [More...](#)

Townhouse offers best of two worlds | Advantages of house and apartment

In this sellers' market, it may be tough to find exactly what you want in a home. Prices for detached and semi-detached homes have climbed significantly during the last year, making these homes an unaffordable option for buyers who want to live or invest in certain neighbourhoods. [More...](#)

Adding a Fireplace | Gas vs. Electric

Historically, fireplaces were used to heat homes. Today, fireplaces are primarily recreational. Before homeowners choose to install a fireplace, they first need to understand their reasons for having one. Often it does not make sense to install a fireplace for the sole purpose of additional heat as there are usually other more cost-effective options to achieve this goal. Usually a fireplace makes most sense for purely decorative or recreational purposes. [More...](#)

Interesting websites

### [Art Gallery of Ontario](#)

Family Sundays - Fun for the whole family at the Art Gallery of Ontario. This season will be exploring shadows and light inspired by J.M.W Turner's paintings; pop art and making hamburgers. Free with gallery admission.

Nov-Apr 1-4 pm
