CSEA/PEF Tuition Discount Application

Students with a current CSEA or PEF Union membership are eligible to receive a 25% tuition discount. This discount applies to tuition only, and may not be combined with other College-sponsored tuition discount programs, including grants or scholarships. A new application must be submitted each semester, and this application applies only to the current semester. This discount is applicable only for credit-bearing undergraduate or graduate courses taken directly through the College of Saint Rose.

This application form, along with a copy of the student's union membership card, must be submitted to The College of Saint Rose Bursar's Office on or before the semester payment due date. If an application is submitted after the due date, any late payment fees which may have been assessed will not be waived. This form will <u>not</u> be accepted more than ten days after the first day of classes. If a student withdraws from classes, this discount will be adjusted to reflect any tuition reduction, but will remain at the 25% discount rate.

Please note that this discount is based on a currently approved program, and once processed, will be in effect for the current semester. Eligibility and approval of the discount in subsequent semesters is subject to any changes made to the discount program.

Any questions regarding this discount may be directed to The College of Saint Rose Bursar's Office, at (518) 458-5464 (opt. 1), or to <u>bursar@strose.edu</u>.
