The College of Saint Rose community engages highly motivated undergraduate and graduate students in rigorous educational experiences. In the progressive tradition of the founding Sisters of St. Joseph of Carondelet, we welcome men and women from all religious and cultural backgrounds. In addition to developing their intellectual capacities, students have the opportunity to cultivate their creative and spiritual gifts in a diverse learning community that fosters integrity, interdependence, and mutual respect.

The College delivers distinctive and comprehensive liberal arts and professional programs that inspire our graduates to be productive adults, critical thinkers, and motivated, caring citizens. Our engagement with the urban environment expands the setting for educational opportunities and encourages the Saint Rose community’s energetic involvement and effective leadership in society.
