1. **Use a semi-colon to emphasize the connection between two closely related independent clauses (two complete sentences).**

**Examples:**
She likes to watch *Grey’s Anatomy* on TV; her brother prefers to watch *Lost.*

The author does not address how issues of neglect may affect a child; this type of oversight damages the credibility of the article.

2. **Use a semi-colon to connect two closely related complete sentences that are joined by a conjunctive adverb (transitional words such as: however, therefore, also, consequently, furthermore, nevertheless, & still) and a comma.**

**Examples:**
The dog became frightened at the sudden noise; therefore, he hid under his owner's bed.

John wants to quit his job; however, he must find a new one before he can do so.

3. **Use a semi-colon to separate items listed in a series when one or more of the items contains a comma.**

**Example:**
She really likes Disney movies, such as *Toy Story*; action movies, such as *Gladiator*; and comedies, including *Old School* and *Wedding Crashers.*

4. **Use a semi-colon to separate a long series of phrases or clauses in a sentence.**

**Example:**
When applying to a specific college, a student should inquire about opportunities for getting involved in extra-curricular activities on campus and in the community; ask about the likelihood of receiving financial assistant throughout all four years; and find out how the college’s academic programs of interest are received in the real world.
