By signing this Consent and Waiver form, I, and my parent(s) or guardian(s), agree to abide by the following restrictions. I have discussed these rights and responsibilities with my parent(s) or guardian(s).

Further, my parent(s) or guardian(s) and I have been advised that The College of Saint Rose does not have control of the information on the Internet. Sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. While the intent of The College of Saint Rose is to make Internet access available to further its educational goals and objectives, account holders will have the ability to access materials as well.

The College believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. Ultimately, the parent(s) or guardian(s) of minors are responsible for setting and conveying the standards that their student should follow. To that end, the College supports and respects each family's right to decide whether or not to apply for a computer account and network access.

Any questions should be directed to the Coordinator of Computer Services 518-337-4905.

The student and his/her parent(s) or guardian(s) must understand that student access to The College's network exists to support The College's educational responsibilities and mission. The specific conditions and services that are offered will change from time to time. In addition, The College of Saint Rose makes no warranties with respect to network service, and it specifically assumes no responsibilities for:

- The content of any advice or information received by a student from a source outside the internal network;
- Any costs, liability or damages caused by the way the student chooses to use his/her computer or network access;
- Any consequences of service interruptions or changes, even if these disruptions arise from circumstances under the control of The College;

BY SIGNING THIS FORM I AGREE TO THE FOLLOWING TERMS:

- My use of the College's network must be consistent with the Acceptable Use Policy and The College's primary goals.
- I will not use The College's network for illegal purposes of any kind.

I will print only to my local printer or to the printer designated by my instructor.
- It is assumed that information and resources accessible via The College's network are private to the individuals and organizations which own or hold rights to those resources and information unless specifically stated otherwise by the owners or holders of rights.
