The Hubbard Interfaith Sanctuary is a place for prayer, meditation, and reflection. Interfaith prayer rooms are available in which visitors will find holy books of the major Christian and Non-Christian traditions. One of the prayers rooms faces East towards Mecca and Jerusalem for Muslim and Jewish prayer. Prayer rugs are available for those of Muslim faith and the talit for those of Jewish faith. Members of our community from the Hindu and Buddhist Traditions may also use these rooms.

The other prayer room is for those of all Christian faiths. It houses the Blessed Sacrament for those who are of the Catholic faith. A mid-week Eucharistic service is celebrated here each Wednesday at 5pm.

The Sanctuary also hosts yoga classes, guided meditations, a labyrinth, Interfaith Story Circles, and lectures which welcome people from all faiths and spiritual backgrounds.
Welcome to the College of Saint Rose

The Office of Spiritual Life is available to students, faculty, staff and administrators of all faiths and beliefs. We provide opportunities for prayer, worship and education and also for facilitated participation in community service work to enhance interfaith fellowship. The staff is also available for personal and spiritual counseling.

Saint Rose is historically rooted in the Roman Catholic tradition. A Roman Catholic mass is celebrated for the college community at St. Vincent de Paul Church, each Sunday evening at 6:30 p.m. during the academic year. Students play an active part in the many ministries needed for the liturgy. Students of all faiths are welcome to attend this celebration.

It is our hope that spiritual growth and learning will be part of your years at the College of Saint Rose.
