Percent Students Left with 30 or More Credits % of students that left institution without an award and without transfer having earned 30 or more semester credit hours (or equivalent)	Total Status Unknown (sum of two VFA outcomes)
Percent Students Left with Less Than 30 Credits % of students that left institution without an award and without transfer having earned less than 30 semester credit hours (or equivalent)	

INSTRUCTIONS

Shading is for explanation only.

Grey shaded rows are calculated from values entered by participant institutions.

Colored cells are used to create the SAM chart.

There will be one detail table for each chart/cohort.
