ABOUT STUDENT WORKS PAINTING

Student Works Painting has been providing **top quality painting services** at reasonable prices since 1991. Our clients recognize us as the leader in quality and service in the painting industry.

Student Works Painting truly is a student painting company. Meaning all of our Owner / Operators and most of their painters are full-time university students, earning money for tuition and expenses for the following year.

Our company evolved as a necessary response to a shortage of summer jobs for students. As tuition and all other associated costs continue to rise, with government support on the decrease, students are caught in the middle.

Student Works have taken action by developing a **professional painting network** providing high quality services.

Quality service along with the **many advantages** of dealing with hardworking, enthusiastic students is what you receive when you deal with a Student Works Operator.

MISSION STATEMENT

"TO PROVIDE STUDENTS WITH AN EXCELLENT LEARNING AND EARNING EXPERIENCE THAT WILL BENEFIT THEM THROUGH THEIR LIVES AT THE SAME TIME AS PROVIDING CLIENTS WITH A QUALITY OF SERVICE THAT IS SECOND TO NONE IN THE PAINTING INDUSTRY"
