"Toleration used to mean patience and longsuffering with people. Now tolerance means that all views are equally valid. That is a major shift in thinking. Not only are all views equally tolerable but all views are equally valid. In this situation, we kill truth. The only truth left is tolerance, which, in reality, is no truth. Values then have no value."

The "only" truth to guide in life, faith, and practice, is the truth of Jesus' Word. Do not be deceived!
