

AT-A-GLANCE

2026 Subaru Forester

Base Premium Sport Wilderness Limited Touring

- ❑ The sixth-generation Subaru Forester is the most advanced Forester model ever, featuring highest levels of safety as well as brand core technology including Symmetrical All-Wheel Drive and a SUBARU BOXER® engine.
- ❑ Forester model line for 2026 includes Base, Premium, Sport, Wilderness, Limited and Touring.
- ❑ Built on Subaru Global Platform for excellent straight-line stability, agility and ride comfort with low noise, vibration, and harshness; greater body torsional structural rigidity than the previous generation Forester thanks to revised full inner frame construction and wider application of structural adhesive.

New for 2026

- ❑ Revised front center console with new cupholder design for wide, 32-ounce water bottles; new forward storage area for personal items and phones; new, more compact shifter design for better ergonomics; a larger center armrest; and greater storage capacity in the center console.
- ❑ Emergency Lane Keep Assist available on Forester Premium and standard on higher trims.
- ❑ New 2026 Forester Wilderness based on sixth-generation Forester with 9.3 inches of ground clearance, 3,500-pound tow rating, unique interior and exterior, and available 12.3-inch full digital instrument cluster.
