

AT-A-GLANCE

2026 Subaru Outback

Premium ✦ Limited ✦ Touring ✦ Limited XT ✦ Touring XT ✦ Wilderness

- All-new seventh-generation Subaru Outback is the most advanced Outback model ever, featuring a bold styling direction, the most advanced EyeSight® Driver Assistance features available, all-new Subaru 12.1-inch Multimedia System for infotainment, and brand core technology such as Subaru Symmetrical All-Wheel Drive and a SUBARU BOXER® engine.
- Outback model line for 2026 includes Premium, Limited, Touring, Limited XT, Touring XT, and Wilderness.
- Built on Subaru Global Platform for excellent straight-line stability, agility and ride comfort with low noise, vibration, and harshness.
- First-ever electronically controlled dampers on Outback (Wilderness trim level only).

New for 2026: Design

- New, bold exterior design conveys more powerful presence on the road.
- Vertically placed headlights to emphasize functionality on- and off-road.
- Front fascia with all-new grille is more upright, includes body-color styling elements around headlights and a larger grille for more rugged appearance.
- Boxier side profile with flatter roofline for more passenger and cargo capacity.
- Standard crossbar measurement markers for easy installation.
- New rear light signature emphasizes taller ride height and width.
- Steeper rake on rear glass for more cargo capacity.
- New interior design, including new Subaru 12.1-inch Multimedia System for infotainment and 12.3-inch full digital instrument display.
- Bigger cupholders and bottle holders large enough for 32-ounce water bottles.

New for 2026: Mechanical

- Revised 2.5-liter 4-cylinder SUBARU BOXER® engine delivers 180 horsepower and 178 pound-feet of torque.
- 18-gallon fuel tank
- Dual-pinion electric power assisted rack and pinion steering (dual-pinion)
- Electronically controlled dampers (Wilderness only)

New for 2026: Interior Comfort and Tech

- Fully redesigned interior and seating for enhanced comfort and quieter ride.
- Dual-zone climate control with hard button controls for settings.
- All-new Subaru 12.1-inch Multimedia System with new interface and settings, wireless Apple CarPlay® and Android Auto™ compatibility.
- 12.3-inch full digital instrument display
- Latest generation of EyeSight® Driver Assist Technology includes Front Pre-Collision Braking, Advanced Adaptive Cruise Control, Lane Centering, Lane Departure Warning and Lane Sway Warning, Emergency Stop Assist, Front Cross Traffic Braking, Acceleration Override Assist, Haptic Steering Wheel Alerts, and Lane Departure Warning. Available features include Emergency Stop Assist with Safe Lane Selection, Pre-Curve Speed Control, Highway Active Lane Change Assist, Highway Automatic Resume Assist, Highway Hands Free Assist (up to 85 mph)
- Three forward-facing cameras and newly added radar sensors

Key Facts

- X-MODE® with Hill Descent Control standard on all Outback trim levels. X-MODE® Dual Mode System on Outback Wilderness with SNOW/DIRT and DEEP SNOW/MUD settings for increased Active All-Wheel Drive engagement.

- Active Torque Vectoring standard on all models
- 8.7-inches ground clearance with low step-in height. (9.5 inches ground clearance on Outback Wilderness)
