SUBARU OF AMERICA DONATES 50,000 BLANKETS TO HOMELESS SHELTERS NATIONWIDE

Automaker Announces Blanket Donation to Homeless Shelters in Honor of National Homeless Youth Awareness Month

Camden, NJ – November 2, 2020 – Subaru of America, Inc. today announced that as part of the [Subaru Loves to Help](#) initiative, the automaker and its participating retailers will donate 50,000 blankets to homeless shelters across the country this November. The donation, which will reach nearly 600 local homeless shelters, is in recognition of National Homeless Youth Awareness Month.

“As we head into the season of giving and the nights get colder, we wanted to do our part to provide warmth and solace for those who need our help this winter,” said Thomas J. Doll, President and CEO, Subaru of America, Inc. “Subaru believes in being more than a car company for the communities where we live and work, and donating blankets is just one piece of our commitment to helping those in need.”

In the United States, many Americans are living on the edge, forced to choose between necessities like purchasing food, paying rent or going to the doctor. 43.1 million Americans live below the poverty level* and 549,000 Americans are homeless on a typical night.* By donating blankets to shelters in need, Subaru and its retailers hope to provide comfort to homeless Americans this season.

The blanket donation is a part of the [Subaru Loves to Help](#) pillar, the community-focused initiative of the [Subaru Love Promise](#). To learn more about Subaru Loves to Help and the community work Subaru does, visit www.subaru.com/help.
