SUBARU AND POWDR EXTEND PARTNERSHIP, CONTINUE TO OFFER UNPARALLELED EXPERIENCES FOR MOUNTAIN ADVENTURE SEEKERS

Extended Agreement Adds Subaru Motorsports USA Partnership with Woodward

PARK CITY, Utah., Feb. 17, 2021 – POWDR and Subaru of America, Inc. announced today an extension of a longstanding partnership to provide [POWDR](#) mountain resort guests and [Subaru](#) owners with unforgettable adventures. The partnership expansion also makes Subaru Motorsports USA the official partner of Woodward.

In partnering with [Woodward](#) — part of POWDR’s adventure lifestyle portfolio and an experiential action sports company with innovative environments, intuitive programming and a community of passionate athletes — [Subaru Motorsports USA](#) will inspire competition, drive progression, and help grow the next generation of action sports.

The Subaru and POWDR partnership will bring more amenities to mountain experiences and connect adventure-seekers everywhere. During the 2020/2021 season, the POWDR and Subaru partnership includes the Subaru sponsorship of Snowbird, Copper Mountain and Mt. Bachelor’s avalanche rescue dog programs, which includes training and certification support for dogs and handlers, supplies and specialized equipment. And, to contribute to the overall guest experience while supporting safe, COVID-related operating protocols, Subaru has designed and deployed custom outdoor chalet structures, called *Subie Shacks*, at various POWDR locations—offering guest amenities and Subaru owner perks such as pre-packaged menu items, snacks and Subaru prizing.

“Subaru has been an exceptional partner to POWDR and, with our partnership extension now including Woodward, we are excited to develop more cool experiences for our guests and Subaru owners,” says Wade Martin, co-president at POWDR. “Our shared passion for authentic adventure experiences has generated fun, innovative

projects that drive value for both of our brands, and, most importantly, our customers.”

For more than six years, Subaru and POWDR have joined together to enhance experiences for resort guests and Subaru owners alike. Exclusive resort benefits such as Subaru VIP parking, Subaru concierge and shuttle vehicles, as well as ‘pop-up’ surprises and activations throughout the season, are designed specifically to celebrate and inspire adventurous Subaru owners. Additionally, through POWDR’s corporate responsibility Play Forever commitment, and the [Subaru Loves the Earth](#) initiative, the partnership has implemented green event practices that expand recycling collection and waste reduction with TerraCycle®, as well as outdoor environmental ethics education with Leave No Trace.

[Subaru WinterFest](#) — The automaker’s annual, multi-mountain destination and experiential lifestyle tour offering one of a kind winter experiences filled with music festivals and live concerts — is expected to resume across the country next season. In the 2021/22 season, Subaru WinterFest weekend takeovers will return to the nation’s top winter resorts in an even bigger way—combining music, adventure, food and beverage, pets and sustainability to create truly unique experiences that speak to the passions of outdoor enthusiasts and Subaru owners alike.

“At Subaru, we know our owners seek adventure and enjoy the exciting wintertime experiences that we offer at the nation’s top mountain resorts each year,” said Alan Bethke, Senior Vice President of Marketing, Subaru of America, Inc. “That is why we are thrilled to continue our partnership with POWDR and give consumers and Subaru owners an unforgettable experience at POWDR’s mountain destinations and Woodward action sports centers.”
