2014 Subaru XV Crosstrek Hybrid

- First-ever hybrid vehicle from Subaru is based on XV Crosstrek crossover model, with added benefits of hybrid powertrain plus special chassis tuning for more agile handling.
- Roomy, versatile, fun-to-drive crossover that combines bold five-door design with an expanded-capability chassis, high fuel economy and everyday comfort.
- 2.0-liter Subaru BOXER engine optimized for efficiency.
- 13.4 hp 48 lb.-ft. electric motor integrated into Lineartronic[®] Continuously Variable Transmission (CVT).
- 100v, 13.5kw nickel-metal hydride battery is located under a revised rear floor area.
- Brake regeneration system
- Integrated starter/generator provides Automatic Start-Stop function.
- Symmetrical All-Wheel Drive standard and functions the same as on gasoline model.
- 8.7 inches of ground clearance is the same as the gas model and is higher than some dedicated SUVs, while providing a low step-in height.
- Preserves utility and versatility of gas model.
- Color Multi-Function Display shows the hybrid system's energy flow according to driving conditions. Using switching screens, the display was designed to combine driving operation information with entertainment content, and its screen can be easily viewed from any seat.
- All-Weather Package standard (heated front seats, heated exterior mirrors and windshield wiper de-icer)
- Rear vision camera standard
- Active Torque Split AWD: electronically managed continuously variable transfer clutch actively manages the torque split based on acceleration, deceleration and available traction. System always powers all

four wheels and will transfer torque to the wheels with the best grip.

- Ring Shaped Frame Reinforcement body structure provides outstanding occupant protection; engineered to provide optimal performance in latest crash test regimen. Standard safety features include 3-point seatbelts for all seating positions, front seatbelt pretensioners and force limiters, Subaru Advanced Airbag System, curtain side air bags, front seat side-impact air bags, driver's knee airbag, whiplash-protection front seats and rear seat headrests for all three seating positions.
- Rollover sensor.
