

AT-A-GLANCE

2015 Subaru Legacy®

2.5i 2.5i Premium 2.5i Limited 3.6R Limited

- All-new version of the brand's midsize sedan with standard Symmetrical All-Wheel Drive.
- Available in 4-cyl. and 6-cyl. models.
- 2015 Legacy 2.5i projected to achieve estimated 26 mpg city / 36 mpg highway / 30 mpg combined -- the best combined rating of any midsize sedan with all-wheel drive and higher than some front-wheel drive competitors.

New for 2015 / Design

- 104.6 cu. ft. passenger volume is largest in the midsize sedan class; 15.0 cu. ft. trunk.
- The 2015 Legacy maintains a similar footprint as the model it replaces.
- Windshield is more raked, pulled forward 2 in. at the base; the new windshield angle, higher seating hip points, new front partition windows and door-mounted side view mirrors help improve visibility.
- 10-percent improvement in aerodynamic efficiency contributes to lower fuel consumption.
- All Legacy 2.5i models get a standard Active Grille Shutter system, which helps to improve fuel economy by reducing wind resistance when closed.
- An aluminum hood reduces weight over the front wheels.
- Standard halogen low-beam headlights for 2.5i models and HID for 3.6R Limited.
- Limited models feature turn signal exterior mirrors; available as an option for the Premium.

New for 2015 / Performance

- 4-cyl. powertrain revised for lower weight and higher efficiency; 6-cyl. powertrain more efficient thanks to pairing with CVT.
- Lineartronic® CVT (continuously variable transmission) standard on all models, featuring new friction-reducing measures and steering wheel paddle switches for 6-speed step shifting.
- Quick-ratio electric power-assisted steering delivers outstanding feel and also contributes to reduced fuel consumption.
- Active Torque Vectoring, an enhancement of the Vehicle Dynamics Control (VDC) stability

and traction control system, contributes to more neutral cornering.

- Revised spring and damper tuning and geometry and standard 17-inch wheels (18-in. on Limited) endow the 2015 Legacy with greater handling agility.
- 4-cylinder models now use the same ventilated rear disc brakes as the 6-cylinder model, in place of solid discs used previously.

Standard Symmetrical All-Wheel Drive

- All models use Active Torque Split version of Symmetrical All-Wheel Drive, which employs an electronically managed continuously variable transfer clutch to actively control torque distribution in response to driving and road conditions.

New for 2015 / Comfort & Infotainment

- Smoother, quieter ride thanks to the use of liquid-filled engine mounts, acoustic windshield, thicker panels in key locations (floor, toeboard, rear wheel apron, inner fenders) and expanded use of foam insulation and floor damping material.
- New soft-touch materials, thicker cushioning for armrests and center console and new trim styles give the Legacy a more premium feel.
- Electro-luminescent gauges with elegant blue ring illumination in Premium and Limited-trim models.
- Keyless Access & Start system option on Limited trim models.
- Limited models offer the highest level of luxury ever in a Subaru, including standard perforated leather upholstery; two-position memory for the 10-way power driver's seat; a 4-way power front passenger seat; three-mode heated front seats (also standard for Premium) and dual-mode heated rear seats; rear seat air conditioning ducts and a high-end surround sound audio system with 12 harman/kardon® speakers.
- 6.2 Infotainment System in 2.5i uses a 6.2-inch capacitive touch display with swipe and scroll multi-function control for audio and other features. System features Subaru STARLINK™ connectivity with Aha™ and Pandora® smartphone integration.

- Available Navigation Infotainment system uses a 7-inch multitouch display screen that offers swipe, pinch, and scroll gesture controls; features an interactive voice command system that accepts natural language and phrases and also operates the dual-zone automatic climate control system.
- New high-end audio system (standard for Limited) combines a 576-Watt equivalent AM/FM/HD Radio system with 12 harman/kardon speakers and amplifier, including a front center speaker and a rear subwoofer.
- One-touch lane changer function for the turn signals adds convenience.
- Legacy Premium and Limited models come equipped with standard auto up/down driver and front passenger windows with pinch protection.

New for 2015 / Safety & Security

- New front seat-cushion airbags deploy from the seat bottom to help keep occupants in place in a frontal collision.
- All models are equipped with Incline Start Assist and electronic Hill Holder System that holds the vehicle in place until the driver applies the throttle to pull away from a stop.
- A new rear radar system, standard on the 2015 Legacy 2.5i Limited and 3.6R Limited and available for the 2.5i Premium, introduces three functions: Blind Spot Detection, Lane Change Assist and Rear Cross Traffic Alert.
- Available improved EyeSight[®] driver assistance system, the highest-rated front crash prevention system by IIHS continues with Adaptive Cruise Control, Pre-Collision Braking and Vehicle Lane Departure Warning.
- Rear-view camera standard on all models, now located closer to the center of the car for more natural imaging.
- New rollover sensor can deploy the side curtain airbags if an imminent rollover is detected.
- New standard welcome lighting automatically turns on interior illumination and exterior lights as the driver approaches or departs the car.

Key Facts

Basic Specifications

Body	5-passenger sedan
Wheelbase	108.3 in.

Length	188.8 in.
Height	59.0 in.
Width	72.4 in.
Curb weight range	3,455-3,662 lbs.

Engine:

Legacy 2.5i	DOHC H4, 2.5-liter
Horsepower	175 hp
Torque	174 lb.-ft.
Transmission	Lineartronic CVT

Legacy 3.6R	DOHC H6, 3.6-liter
Horsepower	256 hp
Torque	247 lb.-ft.
Transmission	Lineartronic CVT

Key Standard Features

(New features for 2015 highlighted in bold)

Legacy 2.5i

- **Lineartronic CVT with 6-speed manual mode and paddle shift control switches**
- 4-wheel disc brakes with **ventilated rear rotors**, ABS and Brake Assist and Brake Override.
- **17-in. wheels with 225/55R17 all-season tires**
- 60/40 split fold-down rear seat with armrest
- 6.2 Infotainment System with AM/FM stereo and HD Radio[®], Radio Data Broadcast System, single-disc in-dash CD player, **6.2-in. multi-function touch screen display, STARLINK connectivity with Aha and Pandora smartphone integration**, rear vision camera, Bluetooth[®] hands-free phone connectivity and audio streaming, iPod[®] control capability, USB port and aux. input jack
- **Active Grille Shutter system**
- **Active Torque Vectoring**
- Air conditioning
- Cruise control
- **Driver and front passenger seat cushion airbags**
- Dual illuminated visor vanity mirrors
- **Electric power-assist steering**
- Front seat side-impact airbags and side curtain airbags **with rollover sensor**
- Carpeted floor mats
- Daytime running lights
- LED tail light components
- Electronic parking brake
- ECO gauge
- Height-adjustable driver's seat
- Hill Holder
- **Illuminated front console storage tray**
- **Incline Start Assist**
- Overhead console with holder for sunglasses
- Power door locks

- Power mirrors (foldable)
- **Power windows with driver's auto-up/down with pinch protection**
- Remote keyless entry system with integrated ignition key
- Security system with engine immobilizer
- Tilt/telescoping steering wheel with audio, Bluetooth and cruise control switches
- Whiplash-protection front seats
- **Turn signals with one-touch lane changer**

2.5i Premium adds:

- **17-in. alloy wheels**
- All-Weather Package (**tri-mode** heated front seats, heated exterior mirrors, windshield wiper de-icer)
- 10-way power driver's seat
- 17-in. alloy wheels
- **Upgraded Infotainment System with 6-speaker audio system with 7-inch touch screen display, SiriusXM satellite radio, SMS text messaging, iTunes Tagging capability and dual USB ports (in addition to all features in standard system)**
- Air filtration system
- **Auto up/down driver's and front passenger windows with pinch protection**
- **Dual-zone automatic climate control system**
- **Electroluminescent instrument cluster**
- **Illuminated inner door handles**
- **Illuminated overhead console**
- Stainless steel exhaust tip
- Leather-wrapped steering wheel and shifter handle
- Woodgrain pattern matte finish accent trim

Optional for 2.5i Premium:

- EyeSight driver-assist system
- **Blind Spot Detection System with Rear Cross Traffic Alert and Lane Change Assist**
- **Foldable side mirrors with integrated turn signals**
- Power Moonroof Package that also includes auto-dimming rear-view mirror with Homelink®
- **Navigation Infotainment System** with all features of Upgraded Infotainment System plus GPS navigation, **multi-function display**, voice activated controls, and navigation maps upgradeable via SD card slot.

2.5i Limited adds over 2.5i Premium:

- 4-way power passenger seat

- **18-in. alloy wheels with 225/50R18 all-season tires**
- **Harman/kardon premium audio system 576-Watt equivalent, 12-harman/kardon speakers including center dash speaker and subwoofer, and all features of the infotainment system**
- **All-weather package adds dual-mode heated rear seats**
- **Blind Spot Detection System with Rear Cross Traffic Alert and Lane Change Assist**
- **Foldable side mirrors with integrated turn signals**
- Center console rear A/C and heater outlets
- Fog lights
- Perforated leather-trimmed upholstery

Optional for 2.5i Limited

- EyeSight driver-assist system
- **Keyless Access and Start**
- Navigation system (see 2.5i Premium)
- Power moonroof package (see 2.5i Premium)

3.6R Limited adds to 2.5i Limited:

- 256-hp 6-cyl. BOXER engine
- **High-torque version of Lineartronic CVT with paddle control switches**
- Dual chrome exhaust tips
- **HID low-beam headlights**
- Larger front (12.4-in.) front brake rotors

Options: Same as 2.5i Limited
