

AT-A-GLANCE

2018 Subaru Outback®

2.5i 2.5i Premium 2.5i Limited 2.5i Touring 3.6R Limited 3.6R Touring

- Sport Utility Vehicle, with standard Symmetrical All-Wheel Drive.
- Available in 4-cyl. and 6-cyl. models.
- Available EyeSight® Driver Assist Technology.

New for 2018

- Revised front and rear styling, highlighted by C-shaped headlights, “Konoji” LED daytime running lights, new grille and redesigned bumpers.
- 18-in. machine finish wheels standard on 2.5 Limited and 3.6R Limited.
- USB power port on the back of the center console for rear seat passengers (except 2.5i base model)
- Redesigned exterior mirrors and sound-insulating glass for the front side windows among new noise-reducing features.
- Steering Responsive Headlight (SRH) system available in conjunction with LED headlights.
- Automatic locking doors.
- New premium interior materials, including genuine stitching on the dash, seats and door panels and gloss black trim and silver-color bezels on Premium and higher trims; redesigned center console and new steering wheel.
- Tire pressure monitoring system (TPMS) now detects pressure changes at individual tires.
- Auto-up/down power windows with anti-pinch protection on all doors standard on the Touring models.
- New SUBARU STARLINK™ 6.5” and 8.0” multimedia systems feature Apple CarPlay™ and Android® Auto, and more smartphone-linked operations improve the multimedia experience. The top-level system includes TomTom® navigation with 3 years of free map updates. Both systems

are compatible with OTA (Over the Air) updates using WiFi.

- Improved voice recognition capabilities with two microphones and technology by Nuance®. Apps added for 2018 include Magellan® NAVI, eBird®, Best Parking, YELP® and more.
- Retained interior power (vehicle systems off-delay).
- Clock display has been added to the combination meter display in the instrument cluster.

Key Facts

- Roomiest, most capable Outback ever: 73.3 cu. ft. max. cargo room
- Outback 2.5i features Active Grille Shutter system that helps to improve fuel economy by reducing wind resistance when closed
- Lineartronic® CVT (continuously variable transmission) standard on all models, featuring steering wheel paddle switches for 6-speed step shifting
- Standard Active Torque Split version of Symmetrical All-Wheel Drive employs an electronically managed continuously variable hydraulic transfer clutch to actively control torque distribution in response to driving and road conditions
- Active Torque Vectoring, an enhancement of the Vehicle Dynamics Control (VDC) stability and traction control system, contributes to more neutral cornering
- Standard X-Mode, Hill Descent Control and Hill Holder® expand capability and control on slippery road surfaces and inclines
- Step-type side sills allow easy loading of the roof rails with integrated crossbars
- Available EyeSight Driver Assist Technology, which received a “Superior” rating for front crash prevention from the IIHS, includes Adaptive Cruise Control,

Pre-Collision Braking, Vehicle Lane Departure Warning, and Lane Keep Assist

- Blind Spot Detection with Lane Change Assist and Rear Cross Traffic Alert System standard on Limited and Touring trim lines and available for the 2.5i Premium with EyeSight Option
