

## At-A-Glance

### 2020 Subaru BRZ

- Rear-wheel-drive 2+2 sports car focuses on low vehicle weight, low center of gravity and precision handling.
- High-performance 2.0-liter SUBARU BOXER® engine.

#### New for 2020

- BRZ offered in two trims for 2020: Limited and new BRZ tS (tuned by STI). The Premium trim (base model) is discontinued.
- BRZ tS is equipped with a full complement of performance, design and interior enhancements:
  - 18-inch matte-bronze finish STI alloy wheels with 215/40R18 summer performance tires; Brembo® brakes; high-performance STI sport-tuned suspension; special STI chassis reinforcements and STI-tuned Vehicle Stability Control and Traction Control System
  - Special interior trim including Grand Luxe® combination meter visor with red stitching; leather-wrapped steering wheel with cast-black finish spokes and red bottom section; Alcantara® upholstery with red leather bolsters and red front seatbelts
  - Special exterior trim including Crystal Black Silica finish exterior mirrors and fog light covers with black grille design
  - (see page 2 for full tS details)

#### Key Facts

- Subaru-developed vehicle-specific platform
- One of the lowest centers of gravity of any production car at 18.1 inches.
- 2+2 seating with fold-down rear seatback for expanded cargo room.
- FA-Series 2.0-liter Subaru BOXER engine for high-revving performance; double overhead camshafts and Dual Active Valve Control System (DAVCS); fuel injection system combines direct injection and port injection technologies; high compression ratio; high

engine output of 205-hp (200 hp with automatic transmission)

- Choice of 6-speed manual or 6-speed automatic transmission; optional automatic has steering paddle-shift control switches, Track Mode and downshift blipping control
- Torsen® limited-slip differential
- Double-wishbone rear suspension
- Electric power assist steering
- 4-wheel vented disc brakes
- Vehicle Stability Control (VSC) and Traction Control System (TCS) with 4 modes, including Track Mode
- 17-in. x 7-in. aluminum alloy wheels with 215/45 R17 summer performance tires
- LED headlights and LED rear combination lights
- Aluminum hood
- Ring-shaped Reinforcement Frame body structure provides outstanding occupant protection; front seatbelt pretensioners and force limiters; Subaru Advanced Frontal Airbag System with driver and front passenger airbags; front seat side pelvis/torso airbags and side-curtain airbags
- Whiplash protection front seats
