Sunday Morning Message: Foundations of Personal Growth

Sunday Evening Message: Reflect Jesus in Our Lives

Evangelism Ideas for Any Church Member

- † Offer to give someone a ride to worship.
- † Ask someone to read through a book of the Bible with you and talk about what you learn each week.
- † Make use of evangelism materials in the church lobby.
- † Invite visitors out to eat. Pay for the meal. Get to know them.
- † Give repeat visitors jobs in which they can serve before conversion. Make them feel a part before they are “a part”. Involve them in such things as helping decorate for VBS or cooking for a men’s breakfast. This helps them get to know members and feel comfortable.
- † Follow up with every visitor before the following Sunday. Invite a non-Christian to your home for a game night or meal.
- † Get some members together and go door knocking.
- † Use church flyers or business cards with the aim of giving away three every day.
- † Share your evangelism opportunities with others for prayers and help. Share your experiences with others to get and give feedback on how to be better. “iron sharpens iron, and one man sharpens another” (Proverbs 27:17).
- † Social Media Sharing: Utilize platforms like Facebook, Instagram, or Twitter to share Bible verses, inspirational quotes, and personal reflections.
- † Workplace Evangelism: Share your faith with colleagues through your work ethic, integrity, and conversations during breaks.
- † Email Signatures: Include Bible verses or Christian messages in your email signature as a subtle witness

As Christians let’s share the good news of Jesus Christ and Salvation in every opportunity!

BIBLE CLASSES

We would like to encourage you to come to Bible Class. We certainly all need to know more about the Bible as it is the word of God. We all need to be encouraged to live the best Christian life possible. We all need to know the history of the Old Testament and the people of God from years ago and how what they learned can help us in our Christian life today.

Roy Clark has been doing a wonderful job of studying with us the letter to the church in Rome. Rome had an amazing history in the early years of the church. We see a mixed church with both people who came out of the Jewish faith and who were gentiles. This is a wonderful study to be part of.

Elvis is teaching our Sunday morning class out of the book of Jeremiah. What a wonderful book about a nation that had spent years turning away from God. The punishment was coming quickly and God used Jeremiah to let the nations know what was on the horizon.
