

CONTENTS

This section contains complete handle entry sets and trim only handle entry sets. Complete sets include bronze trim, mortise lock, cylinder(s), spindle, fasteners and installation instructions. All complete handle entry set part numbers begin with CS. Trim only sets include bronze trim, spindle, fasteners and installation instructions. No locks or cylinders are included. All trim only handle entry set part numbers begin with TS. Handle entry trim sets can be machined to be compatible with most high quality mortise locks. The lock manufacturer, model number of lock and cylinder type must be specified when ordering trim only sets.

Handle entry sets are shown with standard grip handles. Call for additional grip handle options and pricing.
