

INTERIOR MORTISE LOCK PASSAGE & PRIVACY SETS

CONTENTS

This section contains complete interior mortise lock sets and trim only interior mortise lock sets. Complete sets include bronze trim, medium duty interior mortise lock, spindle, fasteners and installation instructions. All complete interior mortise lock set part numbers begin with CS. Trim only sets include bronze trim, spindle, fasteners and installation instructions. No locks are included. All trim only interior mortise lock set part numbers begin with TS. Interior mortise lock trim sets can be machined to be compatible with most high quality mortise locks. The lock manufacturer, model number and function must be specified when ordering trim only sets.

NOTE: Heavy duty interior mortise locks are available. Please specify and price accordingly.
