

PASSAGE LATCH/MORTISE BOLT PRIVACY SETS

CONTENTS

This section contains complete passage latch/mortise bolt privacy sets, trim only passage latch/mortise bolt privacy sets, complete auxiliary mortise bolt sets and trim only auxiliary mortise bolt sets. Complete sets include bronze trim, latches, spindle, fasteners and installation instructions. All complete set part numbers begin with CS. Trim only sets include bronze trim, spindle, fasteners and installation instructions. No latches are included. All trim only passage latch/mortise bolt privacy set part numbers begin with TS. Passage latch/mortise bolt privacy trim sets can be machined to be compatible with most high quality tubular latches. The latch manufacturer, model number and function must be specified when ordering trim only sets.

Note: Escutcheon plates under 2.250" wide will not cover a 2.125" bore.

Sun Valley Bronze does not warranty tubular latch set doors 1.875" and thicker.
