# EC-9400 – EC-9600 MISCELLANEOUS CONTEMPORARY COVERS

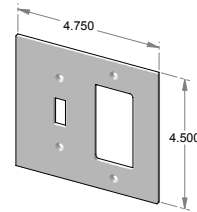

Illustrations are for demonstration purposes only.

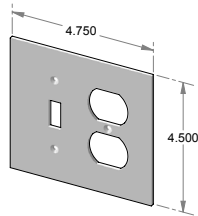

EC-9400  
– Single blank cover.

EC-9401  
– Cable cover.

EC-9500  
– Switchplate/decora combination cover.

EC-9600  
– Switchplate/outlet combination cover.

## Miscellaneous contemporary covers.

|         |                                                                    |
|---------|--------------------------------------------------------------------|
| EC-9400 | 2.750" x 4.500" Contemporary blank cover.                          |
| EC-9401 | 2.750" x 4.500" Contemporary cable cover.                          |
| EC-9500 | 4.750" x 4.500" Contemporary switchplate/decora combination cover. |
| EC-9600 | 4.750" x 4.500" Contemporary switchplate/outlet combination cover. |

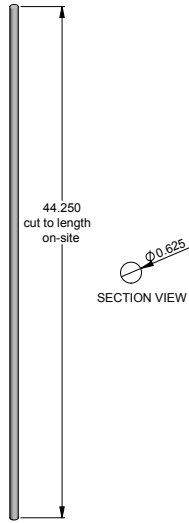

#6 x 3/4" machine screws included.

**PROPRIETARY AND CONFIDENTIAL:** The information contained in this drawing is the sole property of Sun Valley Bronze. Any reproduction in part or as a whole without the written permission of Sun Valley Bronze is prohibited.

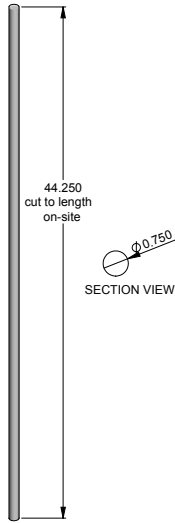

# BALSTR-RND-.65 – BALSTR SQ-75 STAIR BALUSTERS

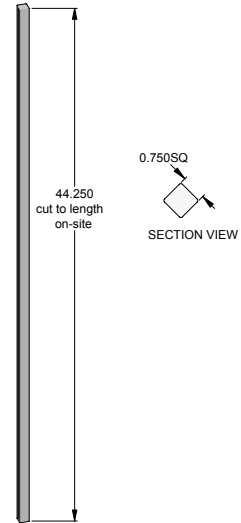

Illustrations are for demonstration purposes only.

BALSTR-RND-.625  
– 0.625" Round stair baluster.  
– 44.250" Cut to length on site.

BALSTR-RND-.75  
– 0.750" Round stair baluster.  
– 44.250" Cut to length on site.

BALSTR-SQ-75  
– 0.750" Square stair baluster.  
– 44.250" Cut to length on site..

## Stair balusters.

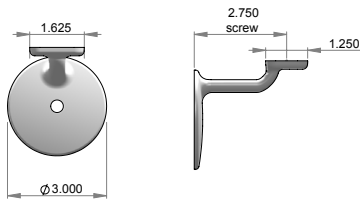

|                 |                                                                |
|-----------------|----------------------------------------------------------------|
| BALSTR-RND-.625 | 0.625" x 44.250" Round stair baluster. Cut to length on site.  |
| BALSTR-RND-.75  | 0.750" x 44.250" Round stair baluster. Cut to length on site.  |
| BALSTR-SQ-75    | 0.750" x 44.250" Square stair baluster. Cut to length on site. |

**PROPRIETARY AND CONFIDENTIAL:** The information contained in this drawing is the sole property of Sun Valley Bronze. Any reproduction in part or as a whole without the written permission of Sun Valley Bronze is prohibited.

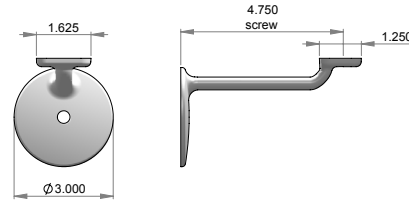

# HB-1 – HB-4 HANDRAIL BRACKETS

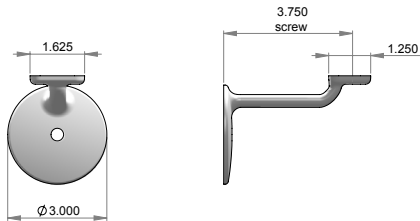

Illustrations are for demonstration purposes only.

**HB-1**  
– Handrail bracket complete w/lag cover.  
– Shown w/Lag-1.

**HB-2**  
– Handrail bracket complete w/lag cover.  
– Shown w/Lag-1.

**HB-4**  
– Handrail bracket complete w/lag cover.  
– Shown w/Lag-1.

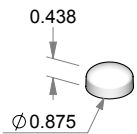

## Handrail brackets.

|      |                                               |
|------|-----------------------------------------------|
| HB-1 | 2.750" x 3.000" Handrail bracket w/lag cover. |
| HB-2 | 4.750" x 3.000" Handrail bracket w/lag cover. |
| HB-4 | 3.750" x 3.000" Handrail bracket w/lag cover. |

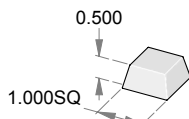

\* Specify lag cover.

0.312 x 2.000" lag bolt included.

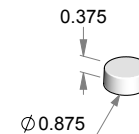

## Additional Lag Bolt Covers

**LAG-1**  
– 0.875" x 0.438" Dome.

**LAG-2**  
– 1.000" x 0.500" Square.

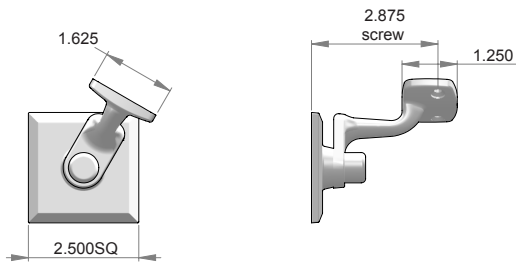

**LAG-3**  
– 0.875" x 0.375" Cylindrical.

**PROPRIETARY AND CONFIDENTIAL:** The information contained in this drawing is the sole property of Sun Valley Bronze. Any reproduction in part or as a whole without the written permission of Sun Valley Bronze is prohibited.

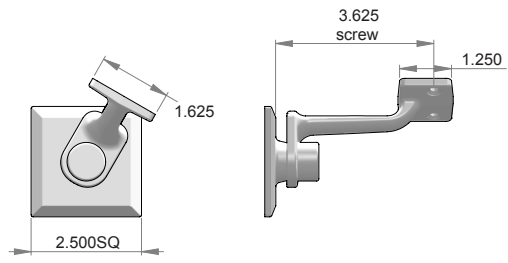

# HB-500 – HB-502 HANDRAIL BRACKETS

Illustrations are for demonstration purposes only.

## HB-500

- Handrail bracket complete w/lag cover.
- Shown w/P-402 escutcheon/Lag-3.

## HB-501

- Handrail bracket complete w/lag cover.
- Shown w/P-402 escutcheon/Lag-3.

### Handrail brackets.

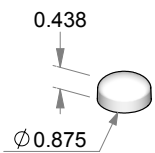

|        |                                                            |
|--------|------------------------------------------------------------|
| HB-500 | 2.625" x 2.500" Handrail bracket w/lag cover.*             |
| HB-501 | 3.625" x 2.500" Handrail bracket w/lag cover.*             |
| HB-502 | 5.000" x 2.500" Handrail bracket w/lag cover.* (Not shown) |

\* Please specify escutcheon. See Section 3/ Binder 1 for escutcheon options.

\* Specify lag cover.

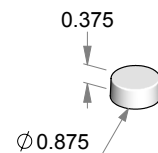

0.312" x 3.000" lag bolt included.

### Additional Lag Bolt Covers

#### LAG-1

- 0.875" x 0.438" Dome.

#### LAG-3

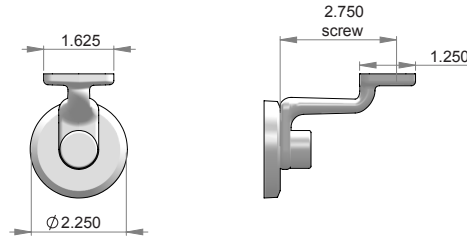

- 0.875" x 0.375" Cylindrical.

# HB-N503 HANDRAIL BRACKETS

Illustrations are for demonstration purposes only.

- HB-N503
- Handrail bracket complete w/lag cover.
  - Shown w/RP-N225 escutcheon and Lag-3.

## Handrail brackets.

HB-N503

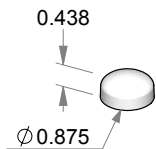

2.750" x 2.250" Handrail bracket w/lag cover.

\* Please specify escutcheon. See Section 3/ Binder 1 for escutcheon options.

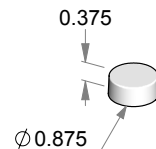

\* Specify lag cover.

0.312" x 3.000" lag bolt included.

## Additional Lag Bolt Covers

LAG-1  
– 0.875" x 0.438" Dome.

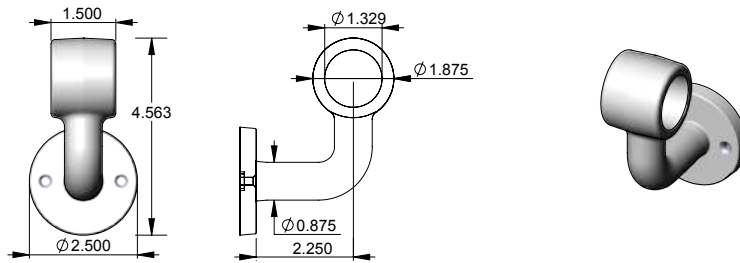

LAG-3  
– 0.875" x 0.375" Cylindrical.

**PROPRIETARY AND CONFIDENTIAL:** The information contained in this drawing is the sole property of Sun Valley Bronze. Any reproduction in part or as a whole without the written permission of Sun Valley Bronze is prohibited.

# HB-600 HANDRAIL BRACKETS

Illustrations are for demonstration purposes only.

- HB-600
- Handrail bracket.
  - Shown w/RP-926.
  - Machined for 1.375" dowel rail.

## Handrail brackets.

HB-600

2.500" x 4.563" Handrail bracket.

\* Available with round escutcheons only. See Section 3/ Binder 1 for escutcheon options.

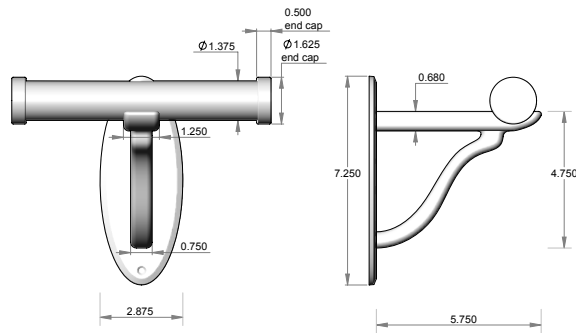

#8 x 1 1/2" oval, slot wood screws included.

**PROPRIETARY AND CONFIDENTIAL:** The information contained in this drawing is the sole property of Sun Valley Bronze. Any reproduction in part or as a whole without the written permission of Sun Valley Bronze is prohibited.

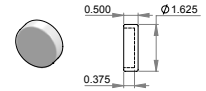

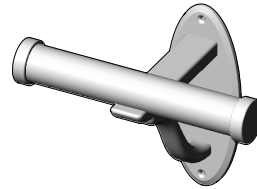

# FTRL-534 – FRTL-ROD FOOTRAIL BRACKET

Illustrations are for demonstration purposes only.

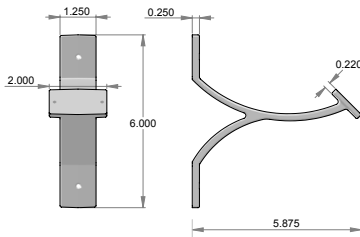

**FTRL-534**

- Footrail bracket.
- Shown w/OP-600.
- Specify bracket center-to-centers.
- Specify rod length.

**CLST-F1**  
– End cap.

**FTRL-606**

- Footrail bracket.

## Footrail brackets.

|            |                                                                                                                        |
|------------|------------------------------------------------------------------------------------------------------------------------|
| FTRL-534   | 5.750" x 7.250" Footrail bracket.                                                                                      |
| FTRL-606   | 5.875" x 6.000" Footrail bracket.                                                                                      |
| FTRL-ROD-1 | Footrail rod. Type L copper tubing. S2, S3, W3 finishes only. Specify length.* Footrail over 12' needs splice. **      |
| FTRL-ROD-2 | Footrail rod. Type L copper tubing. S, W, S1, W1, W2 finishes only. Specify length.* Footrail over 9' needs splice. ** |

## FTRL-534

CLST-F1 End caps included on each end.

Specify escutcheon. Refer to Section 3/Binder 1 for escutcheon options and pricing.

Provided with #10 x 2 oval head wood screws.

## FTRL-606

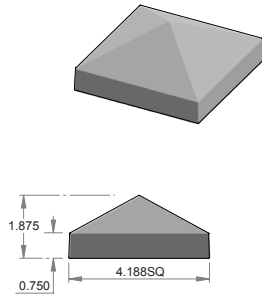

Provided with #10 x 2 oval head wood screws for mounting base.

#8 x 1 1/4" oval head wood screws for foot rail.

# GC-100 CANNONBALL GATE CLOSER

Illustrations are for demonstration purposes only.

## GC-100

- Cannonball gate closer.
- Includes six PR-1-8 (8") chain links.
- Includes two PR-4 surface mounts.
- Includes two PR-2 S-hooks.

1 1/4" wood screws provided.

The cannonball gate closer is designed for use on the inside of a gate, which opens outwardly.

The mount can be installed on an auxiliary post as shown or on a hinged fence post. The mount on the post should be approximately 36" from the ground.

Open the gate 90 degrees and extend the chain, cannonball and S-hooks to the mount location on the gate. Make sure the cannonball is at least 3" from the ground when the gate is fully closed. One may need to place the mount higher on the gate, add or subtract a link to adjust the ball swing height.

A stop block (door stop) will need to be installed on the latch post.

## Cannonball gate closer complete with ball, 6 chain links and 2 surface mounts.

GC-100

3.875" Cannonball gate closer with six 8.000" PR-1 chain links and two PR-4 surface mounts. Includes two PR-2 S-hooks.

PR-1-8

Additional 8.000" cannonball chain link.

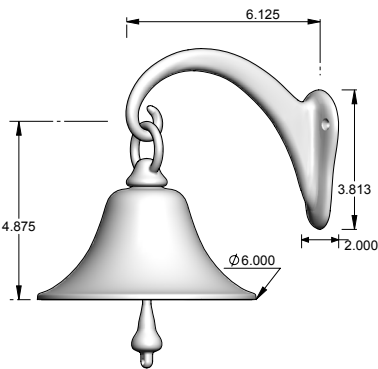

If more than (6) PR-1-8 are required, please specify.

\* Cannonball is 3.875" diameter and weighs 9.5 pounds.
