Note to Parents

The spirit of this book is to inspire our young to understand that although we all sometimes make mistakes and follow the whispers of Shaytan, we also have the ability and strength to overcome those whispers and make the right choices. With the help of Allah and through the many ways that Islam motivates us to control ourselves we hope that they will learn to become responsible adults; capable of directing their thoughts and actions towards good.

GO ON, ZAP SHAYTAN

SEEKING SHELTER WITH ALLAH

RAZANA NOOR

ILLUSTRATED BY OMAR BURGESS

Did you know wherever I go,
A **sneaky** Shaytan tries to follow!

Quietly creeping around my ears
he **whispers** his naughty ideas!

He swore to **Allah** from the start,
To lead me away from
the **straight path**!

I must be careful for he's a liar,
And made from an **invisible** type of **fire**!

We all have a shaytan that follows us everywhere we go, it whispers to us and tries to trick us into doing things that are not very good.

Allah has shown us how to protect ourselves from shaytan's traps.

Take a look inside this book to see how you can dodge its tricks and Zap that sneaky shaytan.
