School Days School Days: School starts in about 5 weeks; it is time to think about helping the children with their school supplies for the next school year. Each year we donate school supplies to schools with a high percentage of low income families. This year we will again be collecting supplies for McMullen Booth Elementary school, our church preschool and Calvin Hunsinger school, a school that deals with behavior problems. They have a Positive Behavior Reward System where good behavior earns points that become school money which can be used to buy things at the school store. The school store has such things as individual size snacks, juice boxes, granola bars and microwave popcorn bags. On the last Sunday in July and the first Sunday in August we are asking everyone to bring in school supplies and those items needed at the school store.
