## August News

Our last field trip ended our summer at Busch Gardens! What an amazing trip that was! The children had so much fun. We hope they have a great school year!

The school year has begun! Please make sure your child is here by 9am to start

their day! Majority of the classes have circle time and learning activities start then. It's very important for those children in VPK.

Please remember to sign your child in and out **daily**. If you have not downloaded the Smart Care for Parents App, you will need it to sign them in. Then log in with your e-mail and password.

You are **NOT** allowed to drop your child off in the parking lot. This is dangerous and against Licensing Policy.

Fund-raisers will be sent home soon! We are remodeling the Toddler Playground! Our goal is \$2000. Let's try to beat our goal with each child raising \$50!
