*Please Note: This licensing information is for Project Lead The Way schools teaching the PLTW Gateway program. In order to successfully install and authorize SketchUp Pro, you must be logged in as an administrator.

Procedure

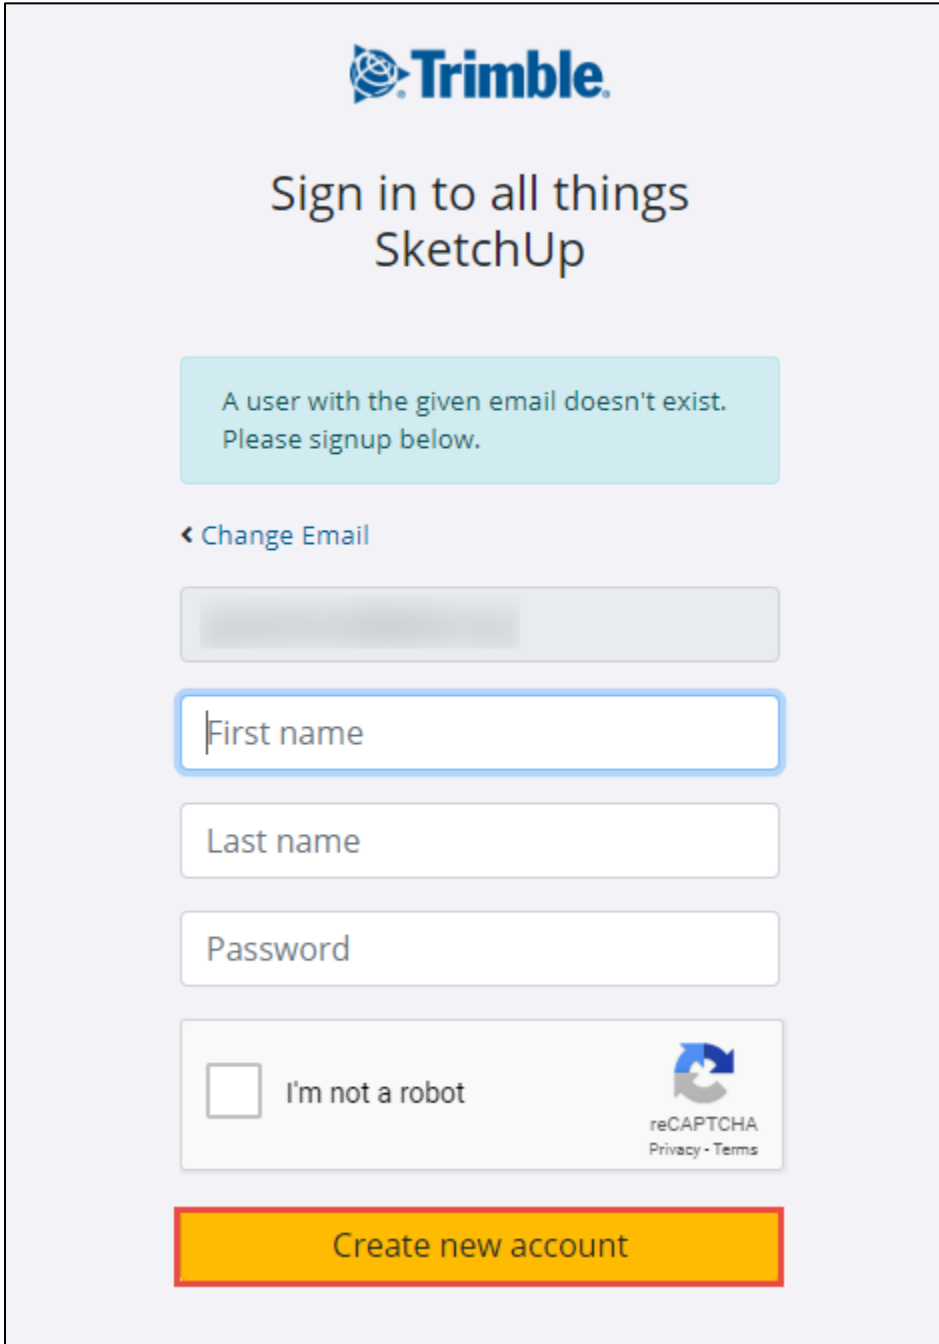

1. Go to <https://www.sketchup.com/download/all>
2. Select **Sign In** or **Create Account**

3. Input your e-mail address and Select **Next** or **Sign in with Google**.

4. Input your information and Select **Create new account**

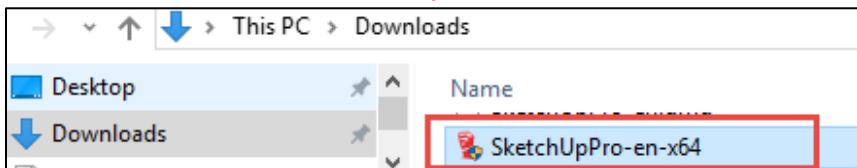

The screenshot shows the Trimble SketchUp sign-in page. At the top is the Trimble logo. Below it, the text reads "Sign in to all things SketchUp". A light blue message box states: "A user with the given email doesn't exist. Please signup below." Below this is a link for "Change Email". There are input fields for "First name", "Last name", and "Password". A reCAPTCHA "I'm not a robot" checkbox is present, with a "reCAPTCHA Privacy - Terms" link. At the bottom, a yellow button with a red border is labeled "Create new account".

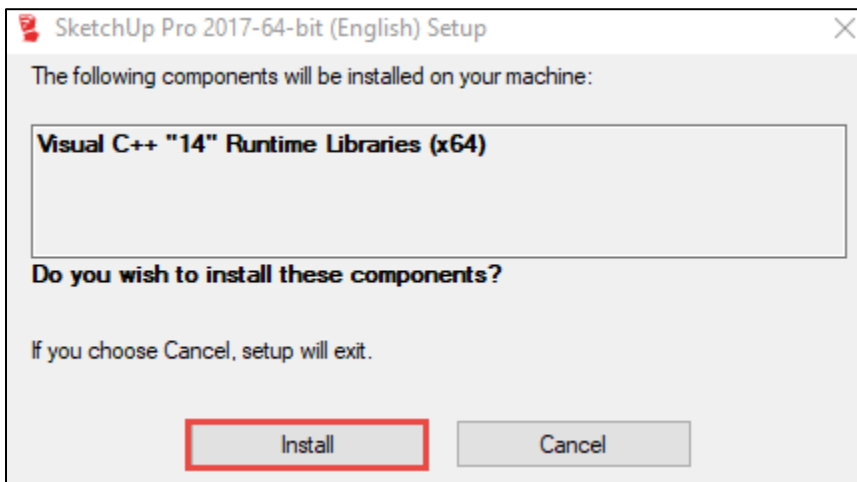

5. You will be sent a verification e-mail to your e-mail address. Once you verify your account you will be able to login.
6. Select **Download** next to **SketchUp Pro 2017** for your operating system.
 - a. Note: SketchUp Pro 2017(recommended) will only run on a 64 bit system. If you are on a Windows 32 bit system, you will need to download SketchUp Pro 2016.
