Fusion 360 Student and Teachers Educational Account Creation

Updated: 6/26/2020

Follow the steps below to create a Fusion 360 Student or Teacher Account. All students and teachers will need accounts to login and use Fusion 360.

1. Navigate to the Fusion 360 Account Creation Page
2. Click Create Account. If you have an account, select Sign In and proceed to Step 9.
3. When creating your account select your Country from the drop-down list. Select Student as your role and fill out your Date of Birth.

4. Click **Next**

5. Enter your First Name, Last Name, Email Address twice, and create a Password. Check mark the **Autodesk Terms of Use** box.

6. Click **Create Account**
7. You will receive a confirmation email. Click on the **Verify Email** button to finish creating the account.

8. After you have verified your email it will take you back to the Fusion 360 Student Access Page and should have you signed in already. If not, then sign in again.

9. Before you can get access to the educational software, you will need to verify that you attend or work for a Qualified Education Institution through the SheerID verification system. You will be asked to fill out the form below.
10. On the next page, you will need to upload documentation that the account owner attends or works at the Qualified Education Institution during that year. All students, teachers, and IT staff that use Fusion 360 will need to complete this step.

a. Examples of documentation can include, school issued letter, redacted transcript, or school ID that contains the school year. The school letter is the recommended way for students to gain access. All students in a class can be listed on one letter that the teacher can certify for upload. All students can use the same letter for verification. This letter should be put on school letterhead with the appropriate fields filled out. Instructions for

b. The SheerID verification process is manually processed by real people. This process should take no longer than one business day.

c. Teachers and IT staff are also able to use the school form letter or other documents listed above.

Additional documentation needed
