

Tinkercad Account Creation

Updated: 3/8/2019

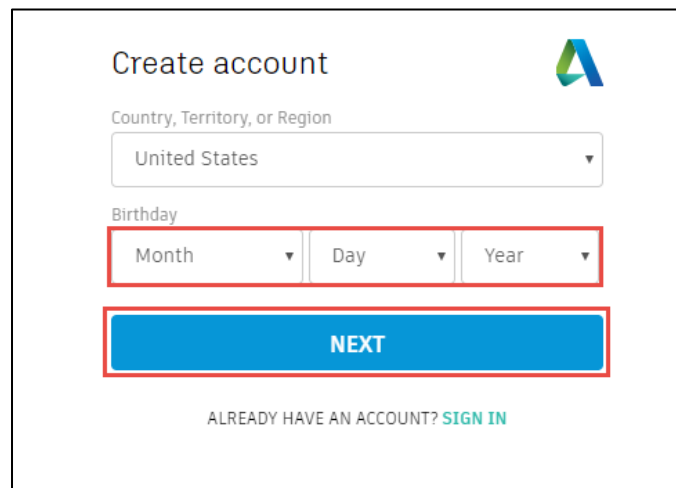

In order to log in to Tinkercad, all users will need an email account where they can receive verification emails. This can be a personal or school email account. You can access Tinkercad using any device that has internet access.

Procedure

1. Go to <https://www.tinkercad.com/#/>
2. Select **Join Now** in the upper right.

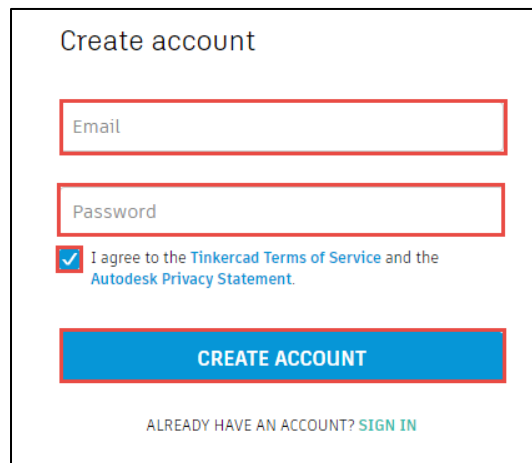

3. On the next screen, enter your Country and Birthdate and click **Next**.

A screenshot of the Tinkercad 'Create account' form. The form is white with a blue header. It includes a dropdown menu for 'Country, Territory, or Region' with 'United States' selected. Below that is a 'Birthday' section with three dropdown menus for 'Month', 'Day', and 'Year'. A large blue 'NEXT' button is at the bottom, highlighted with a red box. At the very bottom, there is a link that says 'ALREADY HAVE AN ACCOUNT? SIGN IN'.

4. Enter your email and create a password. Follow the links to read the Tinkercad Terms of Service and the Autodesk Privacy Statement then check the box to agree.
 - a. Please note, these terms do not grant us (and we don't claim) any ownership rights in Your Content.
5. Click **CREATE ACCOUNT**.
