FOOTBALL DIVISIONAL TIE-BREAKER

For the second consecutive season, the SWAC is using a 7-game conference schedule. Only designated conference matchups (as designated with an * on pages 3-4) will be counted in the Conference Standings.

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SWAC Football Championship Game representative:

1. TWO TEAM TIE

- Head-to-head competition between the two tied teams.
- Records of the tied teams within the division.
- Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference record and proceeding through the division. Multiple ties within the division will be broken from first to last.
- Overall record versus non-division teams.
- Combined record versus all common non-divisional teams.
- Record versus common non-divisional team with the best overall Conference (divisional and non-divisional) record and proceeding through other common non-divisional teams based on their order of finish within their division.
- Coin toss.

2. THREE (OR MORE) TEAM TIE

(Once the tie has been reduced to two teams, go to the two-team tie breaker format)

- Head-to-head competition between the two tied teams.
- Records of the tied teams within the division.
- Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference record and proceeding through the division. Multiple ties within the division will be broken from first to last.
- Overall record versus non-division teams.
- Combined record versus all common non-divisional teams.
- Record versus common non-divisional team with the best overall Conference (divisional and non-divisional) record and proceeding through other common non-divisional teams based on their order of finish within their division.
- Point differential among the three tied teams.
- Coin toss.

SWAC AGAIN LEADS FCS IN FOOTBALL ATTENDANCE

For the third consecutive year and the 30th time in 31 years, the Southwestern Athletic Conference led the nation in football attendance.

Since the beginning of the Football Championship Subdivision (previously known as Division 1-AA) in 1978, the SWAC has consistently led the nation in attendance. Only in the 2005 season, when Hurricanes Katrina and Rita caused damage to the Gulf Coast region of the United States forcing games to be cancelled, did the SWAC not lead the nation in attendance.

In 2008, an average of 14,407 fans attended SWAC home games. All totalled, 777,971 fans attended SWAC home games last season.

For the first time since 2006, Jackson State led all Conference teams in average attendance at 21,263 per home game, ranking 4th in the country. Southern, which lead the SWAC in attendance the past two seasons, was ranked eighth in the country (16,323 avg). It marked the first time since 2006 the SWAC had two schools ranked in the Top 10 in attendance (Jackson State 4th, Southern 6th).
